samay se lekar maseeh tak chaudah peeddhee hui..

18 ab yeeshu maseeh ka janm is prakar se hua, ki jab us kee mata maariyam kee manganee yoosufa ke sath ho gai, to un ke ikatthe hone ke pahile se vah paavitra atma kee or se garbhvatee pai gai.

19 so usake paati yoosufa ne jo dharmee tha aur use badanam karana naheen chahata tha, use chupake se tyag dene kee manasa kee.

20 jab vah in baton ke soch hee men tha to prabhu ka svargadoot use svapn men dikhai dekar kahane laga he yoosufa daud kee santan, too apanee patnee mariyam ko apane yahan le ane se mat dra kyonki jo usake garbh men haai, vah pavitra atma kee or se haai.

ADHYĀYA 2

herodes raja ke dinon men jab yahoodiya ke baaitalaham men yeeshu ka janm hua, to dekho, poorva se kai jyotishaee yarooshalem men akar poochhne lage.

2 ki yahoodiyon ka raja jis ka janm hua haai, kahan haai? kyonaki ham ne poorva men usaka tara dekha haai aur us ko pranam karane aae haain.

3 yah sunakar herodes raja aur usake sath sara yarooshalem ghabara gaya.

4 aur us ne logon ke sab mahayajakon aur shaaastriyon ko ikatthe karake un se poochha, ki maseeh ka janm kaha hona chahiae?

5 unhon ne us se kaha, yahoodiya ke baaitalaham men kyonki bhvishyadvkta ke dara yon likha haai.

6 ki he baaitalaham, jo yahooda ke desh men haai, too kisee reeati se yahooda ke aadhaikaariyon men sab se chhotta naheen kyonki tujh men se aek adhaipaati nikalega, jo merree praja israael kee rakhvalee karega.

7 tab herodes ne jyotishaiyon ko chupake se bulakar un se poochha, ki tara tteek kis samay dikhai diya tha.

8 aur us ne yah kahakar unhen baaitalaham bheja, ki jakar us balak ke vishay men tteek tteek maloom karo aur jab vah mil jaae to mujhe samachar do taki maain bhee akar us ko pranam karoon.

9 ve raja kee bat sunakar chale gaa, aur dekho, jo tara unhon ne poorva men dekha tha, vah un ke age age chala, aur janha balak tha. us jagah ke upar panhuchakar tthar gaya..

10 us tare ko dekhkar ve ati anaandait hue.

11 aur us ghar men pahunchakar us balak ko us kee mata maariyam ke sath dekha, aur munh ke bal girakar use pranam kiya aur apana apana thaila kholakar use sona, aur lohaban, aur gandharas kee bhentt chaddhai.

12 aur svapn men yah chitaunee pakar ki herodes ke pas fir n jana, ve doosare marga se

hokar apane desh ko chale gaae..

13 un ke chale jane ke bad dekho, prabhu ke ek doot ne swapn men yoosufa ko dikhai dekar kaha, utt us balak ko aur us kee mata ko lekar misr desh ko bhag ja aur jab tak maain tujh se n kahoo, tab tak vahee rahana kyonaki herodes is balak ko ddoonddhne par haai ki use marava dale.

14 vah rat hee ko uttkar balak aur us kee mata ko lekar misr ko chal diya.

15 aur herodes ke marane tak vaheen raha isaliye ki vah vachan jo prabhu ne bhvishyadvkta ke dara kaha tha ki maain ne apane putra ko misr se bulaya poora ho.

16 jab herodes ne yah dekha, ki jyotishaiyon ne mere sath ttttha kiya haai, tab vah krodha se bhr gaya aur logon ko bhejkar jyotishaiyon se tteek tteek poochhe huae samay ke anusar baaitalaham aur usake as pas ke sab ladkon ko jo do varsha ke, va us se chhotte the, marava dala.

17 tab jo vachan yirmayah bhvishyadvkta ke dara kaha gaya tha, vah poora hua,

18 ki ramah men aek karoon-nad sunai diya, rona aur bada vilap, rahel apane balakon ke liye ro rahee thee, aur shaant hona n chahatee thee, kyonki ve haain naheen..

19 herodes ke marane ke bad dekho, prabhu ke doot ne misr men yoosufa ko swapn men dikhai dekar kaha.

20 ki ut, balak aur us kee mata ko lekar israael ke desh men chala ja kyonankai jo balak ke praan lena chahate the, ve mar gaae.

21 vah utta, aur balak aur us kee mata ko sath lekar israael ke desh men aya.

22 parantu yah sunakar ki araakhailaus apane pita herodes kee jagah yahoodiya par rajy kar raha haai, vahan jane se dra aur swapn men chitaunee pakar galeel desh men chala gaya.

23 aur nasarat nam nagar men ja basa taaki vah vachan poora ho, jo bhavishyadvktaon ke dara kaha gaya tha, ki vah nasaree kahalaaga..

ADHYĀYA 3

Un dinon men yoohanna bapaatisma denevala akar yahoodiya ke jangal men yah prachar karane laga. ki

2 man firao kyonki svarga ka rajy nikatt a gaya haai.

3 yah vahee haai jis kee charcha yashaayah bhvishyadvkta ke dara kee gai ki jangal men aek pukaranevale ka shabd ho raha haai, ki prabhu ka marga taaiyar karo, us kee sadken seedhaee karo.

4 yah yoohanna unt ke rom ka vasr paahine tha, aur apanee kamar men chamade ka pattuka bandho huae tha, aur usaka bhojan ttiiddayan aur banamadha tha.

5 tab yarooshalem ke aur sare yahoodiya ke, aur yaradan ke as pas ke sare desh ke log usake pas nikal aae.

6 aur apane apane papon ko manakar yaradan nadee men us se bapatisma liya.

7 jab us ne bahutere fareeasiyon aur sadookiyon ko bapatisma ke liye apane pas ate dekha, to un se kaha, ki he sanp ke bachchon tumhen kis ne jata diya, ki anevale krodha se bhago?

8 so man firav ke yogy fal lao.

9 aur apane apane man men yah n socho, ki hamara pita ibraaheem haai kyonaki maain tum se kahata hoo, ki parameshvar in patthron se ibraaheem ke liye santan utpann kar sakata haai.

¹⁰ aur ab kulhada pedon kee jad par rakha hua haai, isaliye jo jo ped achchha fal naheen lata, vah katta aur ag men jhonka jata haai.

¹¹ maain to panee se tumhen man firav ka bapatisma deta hoo, parantu jo mere bad anevara haai, vah mujh se shaktaishaalee haai maain us kee jootee uttane ke yogy nahee, vah tumhen pavitra atma aur ag se bapatisma dega.

¹² usaka soop us ke hath men haai, aur vah apana khalihan achchhee reeti se safaa karega, aur apane gehoon ko to khte men ikattha karega, parantu boosee ko us ag men jalaega jo bujhne kee naheen..

¹³ us samay yeeshu maseeh galeel se yaradan ke kinare par yohanna ke pas us se bapaatisma lene aya.

¹⁴ parantu yohanna yah kahakar use rokane laga, ki mujhe tere hath se bapaatisma lene kee avashyakta haai, aur too mere pas aya haai?

¹⁵ yeeshu ne us ko yah uttr diya, ki ab to aeesea hee hone de, kyonki hamen isee reeti se sab dhaarmikata ko poora karana uchit haai, tab us ne us kee bat man lee.

¹⁶ aur yeeshu bapaatisma lekar turant panee men se upar aya, aur dekho, usake liye akash khul gaya aur us ne parameshvar ke atma ko kabootar kee nai utarate aur apane upar ate dekha.

¹⁷ aur dekho, yah akashavanee hui, ki yah mera pury putra haai, jis se maain atyant prasann hoon..

ADHYĀYA 4

tab us samay atma yeeshu ko jangal men le gaya taki ibalees se us kee pareeksha ho.

² vah chalees din, aur chalees rat, nirahar raha, ant men use bookh lagee.

³ tab parakhnevale ne pas akar us se kaha, yadi too parameshvar ka putra haai, to kah de, ki ye patthr rottiyaian ban jaaen.

⁴ us ne uttr diya ki likha haai ki manushy keval rottee hee se nahee, parantu har ek vachan se jo parameshvar ke mukh se nikalata haai jeeavit rahega.

⁵ tab ibalees use pavitra nagar men le gaya aur maandair ke kangoore par khda kiya.

⁶ aur us se kaha yadi too parameshvar ka putra haai, to apane ap ko neechhe gira de kyonaki likha haai, ki vah tere vishay men apane svargadooton ko agyaa dega aur ve tujhe hathon hath utta lenge kaheen aeesea n ho ki tere panvon men patthr se ttes lage.

⁷ yeeshu ne us se kaha yah bhee likha haai, ki too prabhu apane parameshvar kee pareeksha n kara.

⁸ fir shautan use aek bahut unche pahad par le gaya aur sare jagat ke rajy aur usaka vibhv dikhakar

⁹ us se kaha, ki yadi too girakar mujhe pranam kare, to maain yah sab kuchh tujhe de doonga.

¹⁰ tab yeeshu ne us se kaha he shautan door ho ja, kyonaki likha haai, ki too prabhu apane parameshvar ko pranam kar, aur keval usee kee upasana kara.

¹¹ tab shautan usake pas se chala gaya, aur dekho, svargadoot akar us kee seva karane lage..

¹² jab us ne yah suna ki yohanna pakadva diya gaya, to vah galeel ko chala gaya.

¹³ aur nasarat ko chhodkar kafaranahoom men jo jheel ke kinare jabooloon aur napatalee ke desh men haai jakar rahane laga.

¹⁴ taaki jo yashaayah bhavishdvakta ke dara kaha gaya tha, vah poora ho.

- ¹⁵ ki jabooloon aur napatalee ke desha, jheel ke marga se yaradan ke pas anyajatiyon ka galeela.
- ¹⁶ jo log andhakar men baaitte the unhon ne badee jyonti dekhee aur jo mratyu ke desh aur chhaya men baaitte the, un par jyoti chamakee..
- ¹⁷ us samay se yeeshu prachar karana aur yah kahana arambh kiya, ki man firao kyonki svarga ka rajy nikatt aya haai.
- ¹⁸ us ne galeel kee jheel ke kinare firate huae do bhaiyon arthata shamaun ko jo pataras kahalata haai, aur usake bhai aandairyas ko jheel men jal dalate dekha kyonaki ve machhve the.
- ¹⁹ aur un se kaha, mere peechhe chale ao, to maain tum ko manushyon ke pakadnevale banaunga.
- ²⁰ ve turant jalon ko chhodkar usake peechhe ho liae.
- ²¹ aur vahan se age baddhkar, us ne aur do bhaiyon arthata jabadee ke putra yakoob aur usake bhai yoohanna ko apane pita jabdee ke sath nav par apane jalon ko sudhaarate dekha aur unhen bhee bulaya
- ²² ve turant nav aur apane pita ko chhodkar usake peechhe ho liae..
- ²³ aur yeeshu sare galeel men firata hua un kee sabhaon men upadesh karata aur rajy ka susamachar prachar karata, aur logon kee har prakar kee beemaree aur durbalata ko door karata raha.
- ²⁴ aur sare sooriya men usaka yash faail gaya aur log sab beemaron ko, jo nana prakar kee beemaariyon aur dukhon men jakade huae the, aur jin men dushttatmaaen theen aur mirgeevalon aur jhole ke mare huon ko usake pas laae aur us ne unhen changa kiya.
- ²⁵ aur galeel aur dikapulis aur yarooshalem aur yahoodiya se aur yaradan ke par se bheed kee bheed usake peechhe ho lee..

ADHYĀYA 5

Vah is bheed ko dekhkar, pahad par chaddh gaya aur jab baaitt gaya to usake chele usake pas aae.

- ² aur vah apana munh kholakar unhen yah upadesh dene laga,
- ³ dhany haain ve, jo man ke deen haai, kyonki svarga ka rajy unheen ka haai.
- ⁴ dhany haain ve, jo shaek karate haai, kyonki ve shaanti paaenge.
- ⁵ dhany haain ve, jo namra haai, kyonki ve prathvee ke adhaikaree honge.
- ⁶ dhany haain ve, jo dayavant haai, kyonki un par daya kee jaaegee.
- ⁷ dhany haain ve, jin ke man shuuddh haai, kyonki ve parameshvar ko dekhenge.
- ⁸ dhany haain ve, jo mel karavanevale haai, kyonki ve parameshvar ke putra kahalaenge.
- ⁹ dhany haain ve, jo dharma ke karan sataae jate haai, kyonki svarga ka rajy unheen ka haai.
- ¹⁰ dhany ho tum, jab manushy mere karan joott bol bolakar tumharo virodha men sab prakar kee buree bat kahan.
- ¹¹ anandait aur magan hona kyonki tumhare liye svarga men bada fal haai isaliye ki unhon ne un bhvishyadvktaon ko jo tum se pahile the isee reeti se sataya tha..
- ¹² tum prathvee ke namak ho parantu yaadi namak ka svad bigad jaa, to vah fir kis vastu se namakeen kiya jaaega?
- ¹³ tum prathvee ke namak ho parantu yaadi namak ka svad bigad jaa, to vah fir kis vastu

se namakeen kiya jaaega? fir vah kisee kam ka nahee, keval is ke ki bahar faenka jaae aur manushyon ke paairon tale rauna jaae.

14 tum jagat kee jyoti ho jo nagar pahad par basa hua haai vah chhpai naheen sakata.

15 aur log diya jalakar paaimane ke neeche naheen parantu deevatt par rakhte haai, tab us se ghar ke sab logon ko prakash pahunchata haai.

16 usee prakar tumhara ujiyala manushyon ke samhane chamake ki ve tumhare bhle kamon ko dekhkar tumhare pita kee, jo svarga men haai, badai karen..

17 yah n samajho, ki maain vyavastha ya bhavishyadvktaon ke pustakon ko lop karane aya hoon.

18 lop karane nahee, parantu poora karane aya hoo, kyonki maain tum se sach kahata hoo, ki jab tak akash aur prathvee ttl n jaae, tab tak vyavastha se aek matra ya bindu bhee bina poora huae naheen ttleaga.

19 isaliye jo koi in chhottee se chhottee agyaaon men se kisee aek ko tode, aur vaaisa hee logon ko sikhaa, vah svarga ke rajy men sab se chhotta kahalaaega parantu jo koi un ka palan karega aur unhen sikhaaega, vahee svarga ke rajy men mahan kahalaaega.

20 kyonaki maain tum se kahata hoo, ki yadi tumharee dhaarmikata shaaastriayon aur fareeasiyon kee dhaarmikata se baddhkar n ho, to tum svarga ke rajy men kabhee pravesch karane n paoge..

21 tum sun chuke ho, ki poorvakal ke logon se kaha gaya tha ki hatya n karana, aur jo koi hatya karega vah kachaharee men dand ke yogy hoga.

22 parantu maain tum se yah kahata hoo, ki jo koi apane bhai par krodha karega, vah kachaharee men dand ke yogy hoga: aur jo koi apane bhai ko nikamma kahega vah mahasabha men dand ke yogy hoga aur jo koi kahe are moorkh vah narak kee ag ke dand ke yogy hoga.

23 isaliye yaadi too apanee bhentt vedee par laa, aur vahan too smaran kare, ki mere bhai ke man men meree or se kuchh virodha haai, to apanee bhentt vaheen vedee ke samhane chhod de.

24 aur jakar pahile apane bhai se mel milap kara tab akar apanee bhentt chaddha.

25 jab tak too apane mui ke sath marga men haai, us se jhttpatt mel milap kar le kaheen aeese n ho ki mui tujhe hakim ko saunpe, aur hakim tujhe sipahee ko saunp de aur too bandeegrah men dal diya jaae.

26 maain tum se sach kahata hoon ki jab tak too kaudee kaudee bhr n de tab tak vahan se choottne n paaega..

27 tum sun chuke ho ki kaha gaya tha, ki vyaabhaichar n karana.

28 parantu maain tum se yah kahata hoo, ki jo koi kisee sree par kudrashtti dale vah apane man men us se vyabhaichar kar chuka.

29 yaadi teree daahinee ankh tujhe ttokar khailaa, to usee nikalakar apane pas se faenk de kyonki tere liye yahee bhla haai ki tere angon men se aek nash ho jaae aur tera sara shareer narak men n dala jaae.

30 aur yaadi tera daahina hath tujhe ttokar khailaa, to us ko kattkar apane pas se faenk de, kyonki tere liye yahee bhla haai, ki tere angon men se aek nash ho jaae aur tera sara shareer narak men n dala jaae..

31 yah bhee kaha gaya tha, ki jo koi apanee patnee ko tyag de to usee tyagapatra de.

32 parantu maain tum se yah kahata hoon ki jo koi apanee patnee ko vyabhaichar ke siva kisee aur karan se chhod de, to vah us se vyabhaichar karavata haai aur jo koi us tyagee hui se byah kare, vah vyabhaichar karata haai..

33 fir tum sun chuke ho, ki poorvakal ke logon se kaha gaya tha ki jootee shapath n

khana, parantu prabhu ke liye apanee shapath ko pooree karana.

³⁴ parantu maain tum se yah kahata hoo, ki kabhee shapath n khana n to svarga kee, kyonaki vah parameshvar ka sinhasan haai.

³⁵ n dharatee kee, kyonki vah usake panvon kee chaukee haai n yarooshalem kee, kyonki vah maharaja ka nagar haai.

³⁶ apane sir kee bhee shapath n khana kyonaki too aek bal ko bhee n ujala, n kala kar sakata haai.

³⁷ parantu tumharee bat han kee ha, ya naheen kee naheen ho kyonki jo kuchh is se adhaik hota haai vah burai se hota haai..

³⁸ tum sun chuke ho, ki kaha gaya tha, ki ankh ke badale ank, aur dant ke badale danta.

³⁹ parantu maain tum se yah kahata hoo, ki bure ka samana n karata parantu jo koi tere daahine gal par thppad mare, us kee or doosara bhee faer de.

⁴⁰ aur yaadi koi tujh par naalish karake tera kurata lena chahe, to use dohar bhee le lene de.

⁴¹ aur jo koi tujhe kos bhr begar men le jaae to usake sath do kos chala ja.

⁴² jo koi tujh se mange, use de aur jo tujh se udhaar lena chahe, us se munh n mod..

⁴³ tum sun chuke ho, ki kaha gaya tha ki apane padosee se praem rakhna, aur apane baaiiree se baaira.

⁴⁴ parantu maain tum se yah kahata hoo, ki apane baaiariyon se praem rakho aur apane satanevalon ke liye praarthna karo.

⁴⁵ jis se tum apane svargeey pita kee santan ttharoge kyonki vah bhlon aur buron dono par apana soorya uday karata haai, aur dhaarmiyon aur adharmiyon donon par menh barasata haai.

⁴⁶ kyonaki yadi tum apane praem rakhnevalon hee se praem rakho, to tumhare liye kya labh hoga? kya mahasool lenevale bhee aeesea hee naheen karate?

⁴⁷ aur yaadi tum keval apane bhaiyon kee ko namaskar karo, to kaun sa bada kam karate ho? kya anyajaati bhee aeesea naheen karate?

⁴⁸ isaliye chaahiye ki tum siddh bano, jaaisa tumhara svargeey pita siddh haai..

ADHYĀYA 6

Savadhaan raho! tum manushyon ko dikhane ke liye apane dharma ke kam n karo, naheen to apane svargeey pita se kuchh bhee fal n paoge.

² isaliye jab too dan kare, to apane age turahee n bajava, jaaisa kapattee, sabhaon aur galiyon men karate haai, taki log un kee badaai kare, maain tum se sach kahata hoo, ki ve apana fal pa chuke.

³ parantu jab too dan kare, to jo tera dahina hath karata haai, use tera banya hath n janane paae.

⁴ taaki tera dan gupt rahe aur tab tera pita jo gupt men dekhta haai, tujhe pratifal dega..

⁵ aur jab too praarthna kare, to kapattyaen ke saman n ho kyonki logon ko dikhane ke liye sabhaon men aur sadkon ke modon par khde hokar praarthna karana un ko achchha lagata haai maain tum se sach kahata hoo, ki ve apana pratifal pa chuke.

⁶ parantu jab too praarthna kare, to apanee kottree men ja aur dar band kar ke apane pita se jo gupt men haai praarthna kara aur tab tera pita jo gupt men dekhta haai, tujhe pratifal dega.

⁷ praarthna karate samay anyajatiyon kee nai bak bak n karo kyonki ve samajhte haain ki

unake bahut bolane se un kee sunee jaaegee.

⁸ so tum un kee nai n bano, kyonki tumhara pita tumhare mangane se paahile hee janata haai, ki tumharee kya kya avashyakta haai.

⁹ so tum is reeati se praarthna kiya karo he hamare pita, too jo svarga men haain tera nam pavitra mana jaae.

¹⁰ tera rajy aae teree ichchha jaaisee svarga men pooree hotee haai, vaaise prathvee par bhee ho.

¹¹ hamaree din bhr kee rottee aj hamen de.

¹² aur jis prakhar ham ne apane aparaadhaiyon ko kshama kiya haai, vaaise hee too bhee hamare aparadhaen ko kshama kara.

¹³ aur hamen pareeksha men n la, parantu burai se bacha kyonaki rajy aur parakram aur maahima sada tere hee haai. ameen.

¹⁴ isaliye yaadi tum manushy ke aparadha kshama karoge, to tumhara svargeey pita bhee tumhen kshama karega.

¹⁵ aur yaadi tum manushyon ke aparadha kshama n karoge, to tumhara pita bhee tumhare aparadha kshama n karega..

¹⁶ jab tum upasana karo, to kapattyaen kee nain tumhare munh par udasee n chhai rahe, kyonaki ve apana munh banaae rahate haai, taki log unhen upavasee jaten maain tum se sach kahata hoo, ki ve apana pratifal pa chuke.

¹⁷ parantu jab too upavas kare to apane sir par tel mal aur munh dhae.

¹⁸ taaki log naheen parantu tera pita jo gupt men haai, tujhe upavasee jane is dasha men tera pita jo gupt men dekhta haai, tujhe pratifal dega..

¹⁹ apane liye prathvee par dhan ikattha n karo jahan keeda aur kai bigadte haai, aur jahan chor sendha lagate aur churate haain.

²⁰ parantu apane liye svarga men dhan ikattha karo, jahan n to keeda, aur n kai bigadte haai, aur jahan chor n sendha lagate aur n churate haain.

²¹ kyonaki jahan tera dhan haai vahan tera man bhee laga rahega.

²² shareer ka diya ankh haai: isaliye yaadi teree ankh nirmal ho, to tera sara shareer bhee ujjiyala hoga.

²³ parantu yadi teree ankh buree ho, to tera sara shareer bhee andhiayara hoga is karan vah ujjiyala jo tujh men haai yadi andhakar ho to vah andhakar kaaisa bada hoga.

²⁴ koi manushy do svaamiyon kee seva naheen kar sakata, kyonaki vah aek se baair or doosare se praem rakhega, va aek se mila rahega aur doosare ko tuchchh janega tum parameshvar aur dhan dono kee seva naheen kar sakate.

²⁵ isaliye maain tum se kahata hoo, ki apane praan ke liye yah chinta n karana ki ham kya khaaenge? aur kya peeaenge? aur n apane shareer ke liye ki kya paahinenge? kya praan bhojan se, aur shareer vasr se baddhkar naheen?

²⁶ akash ke paakshiyon ko dekho! ve n bote haai, n kattte haai, aur n khton men battorate haain taubhee tumhara svargeey pita un ko khailata haai kya tum un se adhaik mooly naheen rakhte.

²⁷ tum men kaun haai, jo chinta karake apanee avastha men aek ghadee bhee baddha sakata haai?

²⁸ aur vasr ke liye kyon chinta karate ho? jangalee sosanon par dhyan karo, ki vaai kaaise baddhte haai, ve n to paarishram karate haai, n katate haain.

²⁹ taubhee maain tum se kahata hoo, ki sulaaيمان bhee, apane sare vibhv men un men se kisee ke saman vasr paahine huae n tha.

- ³⁰ isaliye jab parameshvar maaidan kee ghaas ko, jo aj haai, aur kal bhad men jhonkee jaaegee, aeesa vasr paahinata haai, to he alpaavishvasiyo, tum ko vah kyonkar n pahinaaega?
- ³¹ isaliye tum chinta karake yah n kahana, ki ham kya khaaenge, ya kya peeaenge, ya kya pahinenge?
- ³² kyonaki anyajaati in sab vastuon kee khoj men rahate haai, aur tumhara svargeey pita janata haai, ki tumhen ye sab vastuen चाहिए.
- ³³ isaliye paahile tum use rajy aur dharma kee khoj karo to ye sab vastuaen tumhen mil jaaengee.
- ³⁴ so kal ke liye chinta n karo, kyoki kal ka din apanee chinta ap kar lega aj ke liye aj hee ka dukh bahut haai..

ADHYĀYA 7

dosh mat lagao, ki tum par bhee dosh n lagaya jaae.

- ² kyonaki jis prakar tum dosh lagate ho, usee prakar tum par bhee dosh lagaya jaaega aur jis nap se tum napate ho, usee se tumhare liye bhee napa jaaega.
- ³ too kyon apane bhai kee ankh ke tinake ko dekhta haai, aur apanee ankh ka lattha tujhe naheen soojhta?
- ⁴ aur jab teree hee ankh me lattha haai, to too apane bhai se kyonkar kah sakata haai, ki la maain teree ankh se tinaka nikal doon.
- ⁵ he kapattee, pahale apanee ankh men se lattha nikal le, tak too apane bhai kee ankh ka tinaka bhlee bhanti dekhkar nikal sakega..
- ⁶ paavitra vastu kuton ko n do, aur apane motee soaron ke age mat dalo aeesa n ho ki ve unhen panvon tale raunden aur palattkar tum ko faad dalen..
- ⁷ mongo, to tumhen diya jaaega ddoondhho, to tum paoge khtkhttao, to tumhare liye khola jaaega.
- ⁸ kyonaki jo koi mangata haai, use milata haai aur jo ddoondhhta haai, vah pata haai? aur jo khtkhttata haai, usake liye khola jaaega.
- ⁹ tum men se aeesa kaun manushy haai, ki yadi usaka putra us se rottee mange, to vah use patthr de?
- ¹⁰ va machhlee mange, to use sanp de?
- ¹¹ so jab tum bure hokar, apane bachchon ko achchhee vastuen dena janate ho, to tumhara svargeey pita apane manganevalon ko achchhee vastuen kyon n dega?
- ¹² is karan jo kuchh tum chahate ho, ki manushy tumhare sath kare, tum bhee un ke sath vaaisa hee karo kyonaki vyavastha aur bhvishyadvktaon kee shaiksha yahee haai..
- ¹³ saket faattk se praves karo, kyonki chauda haai vah faattk aur chakal haai vah marga jo vinash ko pahunchata haai aur bahutere haain jo us se praves karate haain.
- ¹⁴ kyonaki saket haai vah faattk aur sakara haai vah marga jo jeevan ko pahunchata haai, aur thode haain jo use pate haain.
- ¹⁵ jootte bhavishyadvktaon se savadhaan raho, jo bhedon ke bhes men tumhare pas ate haai, parantu antar men faadnevale bheadiae haain.
- ¹⁶ un ke falon se tum unhen pahachan loge kya jhadiyon se angoor, va untkattaron se anjeer todte haain?
- ¹⁷ isee prakar har aek achchha ped achchha fal lata haai aur nikamma ped bura fal lata haai.

- ¹⁸ achchha ped bura fal naheen la sakata, aur n nikamma ped achchha fal la sakata haai.
- ¹⁹ jo jo ped achchha fal naheen lata, vah katta aur ag men dala jata haai.
- ²⁰ so un ke falon se tum unhen pahachan loge.
- ²¹ jo mujh se, he prabhu, he prabhu kahata haai, un men se har aek svarga ke rajy men praveschh karega, parantu vahee jo mere svargeey pita kee ichchha par chalata haai.
- ²² us din bahutere mujh se kahenge he prabhu, he prabhu, kya ham ne tere nam se bhvishyadanee naheen kee, aur tere nam se dushttatmaon ko naheen nikala, aur tere nam se bahut achambhe ke kam naheen kie?
- ²³ tab maain un se khulakar kah doonga ki maain ne tum ko kabhee naheen jana, he kukarma karanevalo, mere pas se chale jao.
- ²⁴ isaliye jo koi merree ye baten sunakar unhen manata haai vah us budiman manushy kee nai ttharega jis ne apana ghar chattan par banaya.
- ²⁵ aur menh barasa aur baddhen ai, aur andhiyan chalee, aur us ghar par tttkaren lagee, parantu vah naheen gira, kyonaki us kee nev chattan par dalee gai thee.
- ²⁶ parantu jo koi merree ye baten sunata haai aur un par naheen chalata vah us nirbuaddh imanushy kee nain ttharega jis ne apana ghar baloo par banaya.
- ²⁷ aur menh barasa, aur baddhen ai, aur andhiyan chalee, aur us ghar par tttkaren lageen aur vah girakar satyanash ho gaya..
- ²⁸ jab yeeshu ye baten kah chuka, to aeesa hua ki bheed usake upadesh se chakit hui.
- ²⁹ kyonaki vah un ke shaaastriyon ke saman naheen parantu aadhaikaree kee nai unhen upadesh deta tha..

ADHYĀYA 8

Jab vah us pahad se utara, to aek badee bheed usake peechhe ho lee.

- ² aur dekho, aek koddhee ne pas akar use pranam kiya aur kaha ki he prabhu yaadi too chahe, to mujhe shuuddh kar sakata haai.
- ³ yeeshu ne hath baddhakar use chooa, aur kaha, maain chahata hoo, too shuuddh ho ja aur vah turant koddh se shuuddh ho gaya.
- ⁴ yeeshu ne us se kaha dek, kisee se n kahana parantu jakar apne ap ko yajak ko dikhla aur jo chaddhava moosa ne ttharaya haai use chaddha, taaki un ke liye gavahee ho.
- ⁵ aur jab vah kafaranahoom men aya to aek soobedar ne usake pas akar us se binatee kee.
- ⁶ ki he prabhu, mera sevak ghar men jhole ka mara bahut dukhee pada haai.
- ⁷ us ne us se kaha maain akar use changa karoonga.
- ⁸ soobedar ne uttr diya ki he prabhu maain is yogy nahee, ki too merree chht ke tale aa, par keval mukh se kah de to mera sevak changa ho jaaega.
- ⁹ kyonaki maain bhee paradhaeen manushy hoo, aur sipahee mere hath men haai, aur jab aek se kahata hoo, ja, to vah jata haai aur doosare ko ki a, to vah ata haai aur apne das se kahata hoo, ki yah kar, to vah karata haai.
- ¹⁰ yah sunakar yeeshu ne achambha kiya, aur jo usake peechhe a rahe the un se kaha maain tum se sach kahata hoo, ki maain ne israael men bhee aeesa vishvas naheen paya.
- ¹¹ aur maain tum se kahata hoo, ki bahutere poorva aur paashchaim se akar ibraaheem aur isahak aur yakoob ke sath svarga ke rajy men baaitenge.
- ¹² parantu rajy ke santan bahar andhiyare men dal diae jaaenge: vahan rona aur danton

ka peesana hoga.

13 aur yeeshu ne soobedar se kaha, jo jaisa tera vishvas hai, waisa hee tere liye ho: aur usaka sevak usee ghadee chunga ho gaya..

14 aur yeeshu ne pataras ke ghar men akar us kee sans ko jvar men padee dekha.

15 us ne usaka hath chooa aur usaka jvar utar gaya aur vah utkar us kee seva karane lagee.

16 jab sandhya hui tab ve usake pas bahut se logon ko laae jin men dushtatmaen theen aur us ne un atmaon ko apne vachan se nikal diya, aur sab beemaron ko chunga kiya.

17 taaki jo vachan yashayah bhavishyadvakta ke dara ka gaya tha vah poora ho, ki us ne ap hamaree durbalataon ko le liya aur hamaree beemariyon ko utta liya..

18 yeeshu ne apnee charon or aek badee bheed dekhkar us par jane kee agyaa dee.

19 aur aek shaasree ne pas akar us se kaha, he guro, jahan kaheen too jaaega, main tere peechhe peechhe ho loonga.

20 yeeshu ne us se kaha, lomadiyon ke bht aur akash ke paakshiyon ke basere hote haiin parantu manushy ke putra ke liye sir dharane kee bhee jagah naheen hai.

21 aek aur chele ne us se kaha, he prabhu, mujhe paahile jane de, ki apne pita ko gaddh doon.

22 yeeshu ne us se kaha, too mere peechhe ho le aur muradon ko apne murade gadne de..

23 jab vah nav par chaddha, to usake chele usake peechhe ho lae.

24 aur dekho, jheel men aek aesa bada toofaan utta ki nav laharon se dhnpane lagee aur vah so raha tha.

25 tab unhon ne pas akar use jagaya, aur kaha, he prabhu, hamen bacha, ham nash huae jate haiin.

26 us ne un se kaha he alpavishvasiyo, kyon drate ho? tab us ne utkar andhaee aur panee ko danta, aur sab shaant ho gaya.

27 aur log achambha karake kahane lage ki yah kaisa manushy hai, ki andhaee aur panee bhee us kee agyaa manate haiin.

28 jab vah us par gadareaniyon ke desh men pahuncha, to do manushy jin men dushtatmaen theen kabraen se nikalate huae use mile, jo itane prachand the, ki koi us marga se ja naheen sakata tha.

29 aur dekho, unhon ne chillakar kaha he parameshvar ke putra, hamara tujh se kya kaha? kya too samay se paahile hamen du:kh dene yahan aya hai?

30 un se kuchh door bahut se soaron ka jhund char raha tha.

31 dushtatmaon ne us se yah kahakar binatee kee, ki yadi too hamen nikalata hai, to soaron ke jhund men bhej de.

32 us ne un se kaha, jao, ve nikalakar soaron men paait gae aur dekho, sara jhund kadade par se jhpattkar panee men ja pada aur oob mara.

33 aur charavahe bhage, aur nagar men jakar ye sab baten aur jin men dushtatmaen bheen un ka sara hal kah sunaya.

34 aur dekho, sare nagar ke loge yeeshu se bhatt karane ko nikal aae aur use dekhkar binatee kee, ki hamare sivanon se bahar nikal ja..

ADHYĀYA 9

fir vah nav par chaddhkar par gaya aur apane nagar men aya.

² aur dekho, kai log aek jhole ke mare huae ko khatt par rakhkar usake pas laae yeeshu ne un ka vishvas dekhkar, us jhole ke mare huae se kaha he putra, ddhaddhs bandha tere pap kshama hue.

³ aur dekho, kai shaastriayon ne socha, ki yah to parameshvar kee ninda karata haai.

⁴ yeeshu ne un ke man kee baten maloom karake kaha, ki tum log apane apane man men bura vichar kyon kar rahe ho?

⁵ sahaj kya haai, yah kahana, ki tere pap kshama hue ya yah kahana ki utt aur chal fir.

⁶ parantu isaaliye ki tum jan lo ki manushy ke putra ko prathvee par pap kshama karane ka adhaikar haai us ne jhole ke mare huae se kaha utt: apanee khatt utta, aur apane ghar chala ja.

⁷ vah uttkar apane ghar chala gaya.

⁸ log yah dekhkar dr gaae aur parameshvar kee maahima karane lage jis ne manushyon ko aeasa adhaikar diya haai..

⁹ vahan se age baddhkar yeeshu ne mattee nam aek manushy ko mahasool kee chaukee par baaitte dekha, aur us se kaha, mere peechhe ho le. vah uttkar usake peechhe ho liya..

¹⁰ aur jab vah ghar men bhojan karane ke liye baaitta to bahutere mahasool lenevalon aur papee akar yeeshu aur usake chelon ke sath khane baaitte.

¹¹ yah dekhkar fareesiyon ne usake chelon se kaha tumhara guroo mahasool lenevalon aur papiyon ke sath kyon khata haai?

¹² us ne yah sunakar un se kaha, vaaidh bhle changon ko naheen parantu beemaron ko avashy haai.

¹³ so tum jakar is ka arth seekh lo, ki maain baalidan naheen parantu daya chahata hoon kyonki maain dhaarmiyon ko naheen parantu paapiyon ko bulane aya hoon..

¹⁴ tab yoohanna ke chelon ne usake pas akar kaha kya karan haai ki ham aur fareesee itana upavas karate haai, par tere chele upavas naheen karate?

¹⁵ yeeshu ne un se kaha kya baratee, jab tak dulha un ke sath haai shaek kar sakate haain? par ve din aaenge ki doolha un se alag kiya jaaega, us samay ve upavas karenge.

¹⁶ kore kapade ka paaiband purane pahiravan par koi naheen lagata, kyonki vah paaiband paahiravan se aur kuchh kheench leta haai, aur vah aadhaik fatt jata haai.

¹⁷ aur naya dakhras puranee mashakon men naheen bhrate haain kyonaki aeasa karane se mashken fatt jatee haai, aur dakhras bah jata haai aur mashaken nash ho jatee haai, parantu naya dakhras nai mashkon men bhrate haain aur vah donon bachee rahatee haain.

¹⁸ vah un se ye baten kah hee raha tha, ki dekho, aek saradar ne akar use pranam kiya aur kaha meree putraee abhee maree haai parantu chalakar apana hath us par rak, to vah jeeavit ho jaaege.

¹⁹ yeeshu uttkar apane chelon samet usake peechhe ho liya.

²⁰ aur dekho, aek sree ne jis ke barah varsha se lohoo bahata tha, usake peechhe se akar usake vasr ke anchal ko choo liya.

²¹ kyonaki vah apane man men kahatee thee ki yadi maain usake vasr hee ko choo loonbee to changee ho jaungee.

²² yeeshu ne firakar use dekha, aur kaha putraee ddhaddhs bandha tere vishvas ne tujhe changa kiya haai so vah sree usee ghadee changee ho gai.

²³ jab yeeshu us saradar ke ghar men pahuncha aur bansalee bajanevalon aur bheed ko hullad machate dekha tab kaha.

- ²⁴ hatt jao, ladkee maree nahee, par sotee haai is par ve us kee hansee karane lage.
- ²⁵ parantu jab bheed nikal dee gai, to us ne bheetar jakar ladkee ka hath pakada, aur vah jee uttee.
- ²⁶ aur is bat kee charcha us sare desh men faail gai.
- ²⁷ jab yeeshu vahan se age baddha, to do andho usake peechhe yah pukarate huae chale, ki he daud kee santan, ham par daya kara.
- ²⁸ jab vah ghar men pahuncha, to ve andho us ke pas aae aur yeeshu ne un se kaha kya tumhen vishvas haai, ki maain yah kar sakata hoon? unhon ne us se kaha han prabhu.
- ²⁹ tab us ne un kee ankhe chookar kaha, tumhare vishvas ke anusar tumhare liye ho.
- ³⁰ aur un kee ankhe khul gai aur yeeshu ne unhen chitakar kaha savadhaan, koi is bat ko n jane.
- ³¹ par unhon ne nikalakar sare desh men usaka yash faaila diya..
- ³² jab ve bahar ja rahe the, to dekho, log aek goonge ko jis men dushttatma thee us ke pas laae.
- ³³ aur jab dushttatma nikal dee gai, to goonga bolane laga aur bheed ne achambha karake kaha ki israael men aeese kabhee naheen dekha gaya.
- ³⁴ parantu fareeasiyon ne kaha, yah to dushttatmaon ke saradar kee sahayata se dushttatmaon ko nikalata haai..
- ³⁵ aur yeeshu sab nagaron aur ganvon men firata raha aur un kee sabhaon men upadesh karata, aur rajy ka susamachar prachar karata, aur har prakar kee beemaree aur durbalata ko door karata raha.
- ³⁶ jab us ne bheed ko dekha to us ko logon par taras aya, kyonki ve un bhedon kee nai jinaka koi rakhvala n ho, vyakul aur bhttk huae se the.
- ³⁷ tab us ne apane chelon se kaha, pakke khet to bahut haain par majadoor thode haain.
- ³⁸ isaliye khet ke svamee se binatee karo ki vah apane khet kattne ke liye majadoor bhej de..

ADHYĀYA 10

fir us ne apane barah chelon ko pas bulakar, unhen ashuddh atmaon par adhaikar diya, ki unhen nikalen aur sab prakar kee beemariyon aur sab prakar kee durbalataon ko door karen..

² aur barah praeartion ke nam ye haain: paahila shamaun, jo pataras kahalata haai, aur usaka bhai andairyasa jabdee ka putra yakoob, aur usaka bhai yoohanna

³ firaalippus aur bara-tulmaai thoma aur mahasool lenevala mattee, halafaai ka putra yakoob aur taai.

⁴ shamaun kananee, aur yahooda iskaariyotee, jis ne use pakadva bhee diya..

⁵ in barahon ko yeeshu ne yah agyaa dekar bheja ki anyajaatiyon kee or n jana, aur samariyon ke kisee nagar men praves n karana.

⁶ parantu israael ke gharane hee kee khoi hui bhedon ke pas jana.

⁷ aur chalute chalute prachar kar kaho ki svarga ka rajy nikatt a gaya haai.

⁸ beemaron ko changa karo: mare huon ko jilao: koddhiyon ko shuddh karo: dushttatmaon ko nikalo: tum ne sentament paya haai, sentament do.

⁹ apane pattukon men n to sona, aur n roopa, aur n tanba rakhna.

¹⁰ marga ke liye n jholee rakho, n do kurate, n joote aur n lattee lo, kyonki majadoor ko

usaka bhojan milana chahiae.

11 jis kisee nagar ya ganv men jao to pata lagao ki vahan kaun yogy haai? aur jab tak vahan se n nikalo, usee ke yahan raho.

12 aur ghar men pravesh karate huae us ko ashaeesh dena.

13 yaadi us ghar ke log yogy honge to tumhara kalyan un par pahunchega parantu yaadi ve yogay n hon to tumhara kalyan tumhare pas laut aaega.

14 aur jo koi tumhen grahan n kare, aur tumharee baten n sune, us ghar ya us nagar se nikalate huae apane panvon kee dhool jhad dalo.

15 maain tum se sach kahata hoo, ki nyay ke din us nagar kee dasa se sadom aur amora ke desh kee dasa aadhaik sahane yogy hogee..

16 dekho, maain tumhen bhedon kee nai bhediyeon ke beech men bhejata hoon so sanpon kee nai buaddhmaian aur kabootaron kee nai bhole bano.

17 parantu logon se savadhaan raho, kyonaki ve tumhen mahasabhaon men saupenge, aur apanee panchayat men tumhen kode marenge.

18 tum mere liye haakimon or rajaon ke samhane un par, aur anyajatiyon par gavah hone ke liye pahunchaae jaoge.

19 jab ve tumhen pakadvaaenge to yah chinta n karata, ki ham kis reeti se ya kya kahenge: kyonki jo kuchh tum ko kahana hoga, vah usee ghadee tumhen bata diya jaaega.

20 kyonaki bolanevale tum naheen ho parantu tumhare pita ka atma tum men bolata haai.

21 bhai, bhai ko aur pita putra ko, ghaat ke liye saunpenge, aur ladkebale mata-apita ke virodha men utkar unhen marava dalenge.

22 mere nam ke karan sab log tum se baair karenge, par jo ant tak dhaeeraj dhare rahega usee ka uddhar hoga.

23 jab ve tumhen aek nagar men sataae, to doosare ko bhag jana. maain tum se sach kahata hoo, tum israael ke sab nagaron men n fir chukoge ki manushy ka putra a jaaega..

24 chela apane guroo se bada naheen aur n das apane svamee se.

25 chele ka guroo ke, aur das ka svamee ke barabar hona hee bahut haai jab unhon ne ghar ke svamee ko shautan kaha to usake gharavalon ko kyon n kahenge?

26 so un se mat drana, kyonaki kuchh dhdhpa nahee, jo khola n jaaega aur n kuchh chhpai haai, jo jana n jaaega.

27 jo maain tum se andhiayare me kahata hoo, use ujjyale men kaho aur jo kanon kan sunate ho, use kotton par se prachar karo.

28 jo shareer ko ghaat karate haai, par atma ko ghaat naheen kar sakate, un se mat drana par usee se dro, jo atma aur shareer donon ko narak men nash kar sakata haai.

29 kya paaise me do gauraaie naheen bikatee? taubhee tumhare pita kee ichchha ke bina un men se aek bhee boomi par naheen gir sakatee.

30 tumhare sir ke bal bhee sab gine huae haain.

31 isaliye, dro naheen tum bahut gauraiyon se baddhkar ho.

32 jo koi manushyon ke samhane mujhe man lega, use maain bhee svargeey pita ke samhane man loonga.

33 par jo koi manushyon ke samhane mera inkar karega us se maain bhee apane svargeey pita ke samhane inkar karoonga.

34 yah n samajho, ki maain prathvee par milap karane ko aya hoon maain milap karane ko nahee, par talavar chalavane aya hoon.

35 maain to aya hoo, ki manushy ko usak pita se, aur bettee ko us kee man se, aur bahoo

ko us kee sas se alag kar doon.

³⁶ manushy ke baairee usak ghar hee ke log honge.

³⁷ jo mata ya pita ko mujh se aadhaik piry janata haai, vah mere yogy naheen aur jo betta ya bettee ko mujh se aadhaik piry janata haai, vah mere yogy naheen.

³⁸ aur jo apana kroos lekar mere peechhe n chale vah mere yogy naheen.

³⁹ jo apane praan bachata haai, vah use khoaega aur jo mere karan apana praan khota haai, vah use paaega.

⁴⁰ jo tumhen grahan karata haai, vah mujhe grahan karata haai aur jo mujhe grahan karata haai, vah mere bhejanevale ko grahan karata haai.

⁴¹ jo bhavishyadvkta ko bhavishyadvkta janakar grahan kare, vah bhavishyadvkta ka badala paaega aur jo dharmee janakar dharmee ko grahan kare, vah dharmee ka badala paaega.

⁴² jo koi in chhotton men se aek ko chela janakar keval aek kattora tnda panee pilaa, maain tum se sach kahata hoo, vah kisee reeati se apana pratifaal n khoaega..

ADHYĀYA 11

Jab yeeshu apane barah chelon ko agyaa de chuka, to vah un ke nagaron men upadesh aur prachar karane ko vahan se chala gaya..

² yoohanna ne bandeegrah men maseeh ke kamon ka samachar sunakar apane chelon ko us se yah poochhne bheja.

³ ki kya anevara too hee haai: ya ham doosare kee batt johen?

⁴ yeeshu ne uttr diya, ki jo kuchh tum sunate ho aur dekhte ho, vah sab jakar yoohanna se kah do.

⁵ ki andho dekhte haain aur langade chalate firate haain koddhee shuuddh kiae jate haain aur bahire sunate haai, murde jilaee jate haain aur kangalon ko susamachar sunaya jata haai.

⁶ aur dhany haai vah, jo mere karan ttokar n khaae.

⁷ jab ve vahan se chal dia, to yeeshu yoohanna ke vishay men logon se kahane laga tum jangal men kya dekhte gaae the? kya hava se hilate huae sarakande ko?

⁸ fir tum kya dekhne gaae the? dekho, jo komal vasr pahinate haai, ve rajabhvanon men rahate haain.

⁹ to fir kyon gaae the? kya kisee bhavishyadvkta ko dekhne ko? han maain tum se kahata hoo, baran bhavishyadvkta se bhee bade ko.

¹⁰ yah vahee haai, jis ke vishay men likha haai, ki dekh maain apane doot ko tere age bhejata hoo, jo tere age tera marga taaiyar karega.

¹¹ maain tum se sach kahata hoo, ki jo striayon se janme haai, un men se yoohanna bapatisma denevalon se koi bada naheen hua par jo svarga ke rajy men chhotte se chhotta haai vah us se bada haai.

¹² yoohanna bapaatisma denevale ke dinon se ab tak svarga ke rajy par jor hota raha haai, aur balaval use chheen lete haain.

¹³ yoohanna tak sare bhavishyadvkta aur vyavastha bhavishyadvvanee karate rahe.

¹⁴ aur chaho to mano, aeliyyah jo anevara tha, vah yahee haai.

¹⁵ jis ke sunane ke kan ho, vah sun le.

¹⁶ maain is samay ke logon kee upama kis se doon? ve un balakon ke saman haai, jo bajaron men baaitte huae aek doosare se pukarakar kahate haain.

- ¹⁷ ki ham ne tumhare liye bansalee bajai, aur tum n nache ham ne vilap kiya, aur tum ne chhatee naheen peetee.
- ¹⁸ kyonaki yooanna n khata aya aur n peeta, aur ve kahate haain ki us men dushtatma haai.
- ¹⁹ manushy ka putra khata-peeta aya, aur ve kahate haain ki dekho, petoo aur piyakkad manushy, mahasool lenevalon aur paapiyon ka mitra par gyaan apane kamon men sachcha ttharaya gaya haai.
- ²⁰ tab vah un nagaron ko ulahana dene laga, jin men us ne bahutere samarth ke kam kiae the kyonki unhon ne apana man naheen firaya tha.
- ²¹ hay, khurajeena hay, baaitasaaida jo samarth ke kam tum men kiae gaa, yaadi ve soor aur saaida men kiae jate, to ttatt oddhkar, aur rakh men baaitkar, ve kab se man fira lete.
- ²² parantu maain tum se kahata hoon ki nyay ke din tumharee dasa se soor aur saaida kee dasa adhaik sahane yogy hogee.
- ²³ aur he kafaranahoom, kya too svarga tak uncha kiya jaaega? too to adhaelok tak neeche jaaega jo samarth ke kam tujh men kiae gaae haai, yaadi sadom men kiae jate, to vah aj tak bana rahata.
- ²⁴ par maain tum se kahata hoo, ki nyay ke din teree dasa se sadom ke desh kee dasa aadhaik sahane yogy hogee.
- ²⁵ usee samay yeeshu ne kaha, he pita, svarga aur prathvee ke prabhu maain tera dhanyavad karata hoo, ki too ne in baton ko gyaaaniyon aur samajhdaron se chhpai dakha, aur balakon par pragatt kiya haai.
- ²⁶ ha, he pita, kyonaki tujhe yahee achchha laga.
- ²⁷ mere pita ne mujhe sab kuchh saunpa haai, aur koi putra ko naheen janata, keval pita aur koi pita ko naheen janata, keval putra aur vah jis par putra use pragatt karana chahe.
- ²⁸ he sab paarishram karanevalon aur bojh se dabe logo, mere pas ao maain tumhen vishraam doonga.
- ²⁹ mera joa apane upar utta lo aur mujh se seekho kyonaki maain namra aur man men dee hoon: aur tum apane man men vishraam paoge.
- ³⁰ kyonaki mera joa sahay aur mera bojh halka haai..

ADHYĀYA 12

Us samay yeeshu sabt ke din kheton men se hokar ja raha tha, aur usake chelon ko bookh lagee, so ve balen tod todkar khane lage.

² fareesiyon ne yah dekhkar us se kaha, dekh tere chele vah kam kar rahe haai, jo sabt ke din karana uchit naheen.

³ us ne un se kaha kya tum ne naheen paddha, ki daud ne, jab vah aur usake sathee bookhe huae to kya kiya?

⁴ vah kyonkar parameshvar ke ghar men gaya, aur bhennt kee rottiyaian khai, jinhen khana n to use aur usake saathaiyon ko, par keval yajakon ko uchit tha?

⁵ ya tum ne vyavastha men naheen paddha, ki yajak sabt ke din mandair men sabt ke din ke vidhai ko todne par bhee nirdosh ttharate haain.

⁶ par maain tum se kahata hoo, ki yahan vah haai, jo mandair se bhee bada haai.

⁷ yaadi tum is ka arth janate ki maain daya se prasann hoo, balidan se nahee, to tum nirdosh ko doshaee n ttharate.

⁸ manushy ka putra to sabt ke din ka bhee prabhu haai..

- ⁹ vahan se chalakar vah un kee sabha ke ghar men aya.
- ¹⁰ aur dekho, aek manushy tha, jis ka hath sookha hua tha aur unhon ne us par dosh lagane ke liey us se poochha, ki kya sabt ke din changa karana uchit haai?
- ¹¹ us ne un se kaha tum men aeese kaun haai, jis kee ek bhed ho, aur vah sabt ke din gadhe men gir jaa, to vah use pakadkar n nikale?
- ¹² bhla, manushy ka mooly bhed se kitana baddh kar haai isaaliye sabt ke din bhlai karana uchit haai: tab us ne us manushy se kaha, apana hath baddha.
- ¹³ us ne baddhaya, aur vah fir doosare hath kee nai achchha ho gaya.
- ¹⁴ tab fareesiyon ne bahar jakar usake virodha men sammati kee, ki use kis prakar nash karen?
- ¹⁵ yah janakar yeeshu vahan se chala gaya aur bahut lage usake peechhe ho liye aur us ne sab ko changa kiya.
- ¹⁶ aur unhen chitaya, ki mujhe pragatt n karana.
- ¹⁷ ki jo vachan yashaayah bhvishyadvkta ke dara kaha gaya tha, vah poora ho.
- ¹⁸ ki dekho, yah mera sevak haai, jise maain ne chuna haai mera piry, jis se mera man prasann haai: maain apana atma us par daloonga aur vah anyajaatiyon ko nyay ka samachar dega.
- ¹⁹ vah n jhgada karega, aur n dhoom machaaega aur n bajaron men koi usaka shabd sunega.
- ²⁰ vah kuchale huae sarakande ko n todegaa aur dhooan detee hui battee ko n bujhaaega, jab tak nyay ko prabal n karaae.
- ²¹ aur anyajatiyan usake nam par asha rakhengee.
- ²² tab log aek andho-goonge ko jis men dushttatma thee, usake pas laae aur us ne use achchha kiya aur vah goonga bolane aur dekhne laga.
- ²³ is par sab log chaakit hokar kahane lage, yah kya daud kee santan ka haai?
- ²⁴ parantu fareesiyon ne yah sunakar kaha, yah to dushttatmaon ke saradar shautan kee sahayata ke bina dushttatmaon ko naheen nikalata.
- ²⁵ us ne un ke man kee bat janakar un se kaha jis kisee rajy men foott hottee haai, vah ujad jata haai, aur koi nagar ya gharana jis men foott hottee haai, bana n rahega.
- ²⁶ aur yaadi shautan hee shautan ko nikale, to vah apana hee virodhaee ho gaya haai fir usaka rajy kyonkar bana rahega?
- ²⁷ bhla, yadi maain shautan kee sahayata se dushttatmaon ko nikalata hoo, to tumhare vansh kis kee sahayata se nikalate haain? isaliye ve hee tumhara nyay chukaaenge.
- ²⁸ par yaadi maain parameshvar ke atma kee sahayata se dushttatmaon ko nikalata hoo, to parameshvar ka rajy tumhare pas a pahuncha haai.
- ²⁹ ya kyonkar koi manushy kisee balavant ke ghar men ghausakar usaka mal loott sakata haai jab tak ki pahile us balavant ko n bandha le? aur tab vah usaka ghar loott lega.
- ³⁰ jo mere sath nahee, vah mere virodha men haai aur jo mere sath naheen battorata, vah bithrata haai.
- ³¹ isaliye maain tum se kahata hoo, ki manushy ka sab prakar ka pap aur ninda kshama kee jaaegee, par atma kee ninda kshama n kee jaaegee.
- ³² jo koi manushy ke putra ke virodha men koi bat kahega, usaka yah aparadha kshama kiya jaaega, parantu jo koi pavitraatma ke virodha men kuchh kahega, usaka aparadha n to is lok men aur n paralok men kshama kiya jaaega.
- ³³ yaadi ped ko achchha kaho, to usake fal ko bhee achchha kaho ya ped ko nikamma kaho kyonki ped fal hee se pahachana jata haai.

- ³⁴ he sanp ke bachcho, tum bure hokar kyonkar achchhee baten kah sakate ho? kyonki jo man men bhra haai, vahee munh par ata haai.
- ³⁵ bhla, manushy man ke bhle bhndar se bhlee baten nikalata haai aur bura manushy bure bhndar se buree baten nikalata haai.
- ³⁶ aur maai tum se kahata hoo, ki jo jo nikammee baten manushy kahenge, nyay ke din har aek bat ka lekha denge.
- ³⁷ kyonaki too apanee baton ke karan nirdosh aur apanee baton hee ke karan doshaee ttharaya jaaega..
- ³⁸ is par kitane shaaastriayon aur fareeasiyon ne us se kaha, he guro, ham tujh se aek chinh dekhna chahate haain.
- ³⁹ us ne unhen uttr diya, ki is yug ke bure aur vyabhaicharee log chinh ddoonddhte haain parantu yoonus bhvishyadvkta ke chinh ko chhod koi aur chinh un ko n diya jaega.
- ⁴⁰ yoonus teen raj din jal jantu ke pett men raha, vaaise hee manushy ka putra teen rat din prathvee ke bheetar rahega.
- ⁴¹ neenave ke log nyay ke din is yug ke logon ke sath uttkar unhen doshaee ttharaaenge, kyonki unhon ne yoonus ka prachar sunakar, man firaya aur dekho, yahan vah haai jo yoonus se bada haai.
- ⁴² daakkhian kee ranee nyay ke din is yug ke logon ke sath uttkar unhen doshaee ttharaaengee, kyonaki vah sulaaiman ka gyaan sunane ke liye prathvee kee chhor se ai, aur dekho, yahan vah haai jo sulaaiman se bhee bada haai.
- ⁴³ jab ashuddh atma manushy men se nikal jatee haai, to sookhee jagahon men vishraam ddoonddhatee firatee haai, aur patee naheen.
- ⁴⁴ tab kahatee haai, ki maain apane usee ghar men jahan se nikalee thee, lautt jaungee, aur akar use soona, jhada-buhara aur saja sajaya patee haai.
- ⁴⁵ tab vah jakar apane se aur buree sat atmaon ko apane sath le atee haai, aur ve us men paaittkar vahan vas karatee haai, aur us manushy kee pichhlee dasa paahile se bhee buree ho jatee haai is yug ke bure logon kee dasa bhee aeesee hee hogee.
- ⁴⁶ jab vah bheed se baten kar hee raha tha, to dekho, us kee mata aur bhai bahar khde the, aur us se baten karana chahate the.
- ⁴⁷ kisee ne us se kaha dekh teree mata aur tere bhai bahar khde haai, aur tujh se baten karana chahate haain.
- ⁴⁸ yah sun us ne kahanevale ko uttr diya kaun haai meree mata?
- ⁴⁹ aur kaun haai mere bhai? aur apane chelon kee or apana hath baddha kar kaha dekho, meree mata aur mere bhai ye haain.
- ⁵⁰ kyonaki jo koi mere svargeey pita kee ichchha par chale, vahee mera bhai aur baahin aur mata haai..

ADHYĀYA 13

Usee din yeeshu ghar se nikalakar jheel ke kinare ja baaitta.

² aur usake pas aeesee badee bheed ikatthee hui ki vah nav par chaddh gaya, aur saree bheed kinare par khdee rahee.

³ aur us ne un se drashtanton men bahut see baten kahee, ki dekho, aek bonevala beej bone nikala.

⁴ bote samay kuchh beej marga ke kinare gire aur paakshiyon ne akar unhen chug liya.

⁵ kuchh patthreelee boomi par gire, jahan unhen bahut mittee n milee aur gaharee mittee

n milane ke karan ve jald ug aae.

⁶ par sooraj nikalane par ve jal gaa, aur jad n pakadne se sookh gaae.

⁷ kuchh jhaadiyon men gire, aur jhaadiyon ne baddhkar unhen daba dala.

⁸ par kuchh achchhee boomi par gire, aur fal laa, koi sau guna, koi satt guna, koi tees guna.

⁹ jis ke kan hon vah sun le..

¹⁰ aur chelon ne pas akar us se kaha, too un se drashttanton men kyon baten karata haai?

¹¹ us ne uttr diya, ki tum ko svarga ke rajy ke bhedon kee samajh dee gai haai, par un ko naheen.

¹² kyonaki jis ke pas haai, use diya jaaega aur usake pas bahut ho jaaega par jis ke pas kuchh naheen haai, us se jo kuchh usake pas haai, vah bhee le liya jaaega.

¹³ maain un se drashttanton men isaaliye baten karata hoo, ki ve dekhte huae naheen dekhte aur sunate huae naheen sunate aur naheen samajhte.

¹⁴ aur un ke vishay men yashaayah kee yah bhvishyadvvanee pooree hotee haai, ki tum kanon se to sunoge, par samajhoge naheen aur ankhone se to dekhoge, par tumhen n soojhega.

¹⁵ kyonaki in logon ka man motta ho gaya haai, aur ve kanon se uncha sunate haain aur unhon ne apanee ankhen moond leen haain kaheen aeese n ho ki ve ankhone se dekhe, aur kanon se sunen aur man se samajhe, aur fir jaae, aur maain unhen changa karoon.

¹⁶ par dhany haai tumharee ankhe, ki ve dekhtee haain aur tumhare kan, ki ve sunate haain.

¹⁷ kyonaki maain tum se sach kahata hoo, ki bahut se bhavishyadvktaon ne aur dharmiyon ne chaha ki jo baten tum dekhte ho, dekhne par n dekheen aur jo baten tum sunate ho, sune, par n suneen.

¹⁸ so tum banevale ka drashttant suno.

¹⁹ jo koi rajy ka vachan sunakar naheen samajhta, usake man men jo kuchh boya gaya tha, use vah dushtt akar chheen le jata haai yah vahee haai, jo marga ke kinare boya gaya tha.

²⁰ aur jo patthreelee boomi par boya gaya, yah vah haai, jo vachan sunakar turant anand ke sath man leta haai.

²¹ par apane men jad n rakhne ke karan vah thode hee din ka haai, aur jab vachan ke karan klesh ya upadrav hota haai, to turant ttokar khata haai.

²² jo jhaadiyon men boya gaya, yah vah haai, jo vachan ko sunata haai, par is sansar kee chinta aur dhan ka dhaekha vachan ko dabata haai, aur vah fal naheen lata.

²³ jo achchhee boomi men boya gaya, yah vah haai, jo vachan ko sunakar samajhta haai, aur fal lata haai koi sau guna, koi satt guna, koi tees guna.

²⁴ us ne unhen ek aur drashttant diya ki svarga ka rajy us manushy ke saman haai jis ne apane khet men achchha beej boya.

²⁵ par jab log so rahe the to usaka baaree akar gehoon ke beech jangalee beej bokar chala gaya.

²⁶ jab ankur nikale aur balen lagee, to jangalee dane bhee dikhai diae.

²⁷ is par grahasth ke dason ne akar us se kaha, he svamee, kya too ne apane khet men achchha beej n boya tha? fir jangatee dane ke paudho us men kahan se aae?

²⁸ us ne un se kaha, yah kisee baaree ka kam haai. dason ne us se kaha kya teree ichchha haai, ki ham jakar un ko battor len?

- 29 us ne kaha, aeese nahee, n ho ki jangatee dane ke paudho battorate huae un ke sath gehoon bhee ukhad lo.
- 30 kattnee tak donon ko aek sath baddhne do, aur kattnee ke samay maain kattnevalon se kahoonga paahile jangalee dane ke paudho battorakar jalane ke liye un ke gattthe bandha lo, aur gehoon ko mere khte men ikattha karo..
- 31 us ne unhen ek aur drashttant diya ki svarga ka rajy rai ke ek dane ke saman haai, jise kisee manushy ne lekar apane khet men bo diya.
- 32 vah sab beejon se chhotto to haai par jab baddh jata haai tab sab sag pat se bada hota haai aur aeese ped ho jata haai, ki akash ke pakshaee akar us kee daliyon par basera karate haain..
- 33 us ne ek aur drashttant unhen sunaya ki svarga ka rajy khmeer ke saman haai jis ko kisee sree ne lekar teen paseree atte men mila diya aur hote hote vah sab khmeer ho gaya..
- 34 ye sab baten yeeshu ne drashttanton men logon se kahee, aur bina drashttant vah un se kuchh n kahata tha.
- 35 ki jo vachan bhavishyadvkta ke dara kaha gaya tha, vah poora ho ki maain drashttant kahane ko apana munh kholoonga: maain un baton ko jo jagat kee utpati se gupt rahee haain pragatt karoonga..
- 36 tab vah bheed ko chhodkar ghar men aya, aur usake chelon ne usake pas akar kaha, khet ke jangalee dane ka drashttant hamen samajha de.
- 37 us ne un ko uttr diya, ki achchhe beej ka bonevala manushy ka putra haai.
- 38 khet sansar haai, achchha beej rajy ke santan, aur jangalee beej dusht ke santan haain.
- 39 jis baaree ne un ko boya vah shautan haai kattnee jagat ka ant haai: aur kattnevale svargadoot haain.
- 40 so jaise jangalee dane battore jate aur jalaae jate haain vaaisa hee jagat ke ant men hoga.
- 41 manushy ka putra apane svargadooton ko bhejega, aur ve usake rajy men se sab ttokar ke karanon ko aur kukarma karanevalon ko ikattha karenge.
- 42 aur unhen ag ke kund men dalenge, vahan rona aur dant peesana hoga.
- 43 us samay dharmee apane pita ke rajy men soorya kee nai chamakenge jis ke kan hon vah sun le..
- 44 svarga ka rajy khet men chhpai huae dhan ke saman haai, jise kisee manushy ne pakar chhpai diya, aur mare anand ke jakar aur apana sab kuchh bechakar us khet ko mol liya..
- 45 fir svarga ka rajy aek vyoparee ke saman haai jo achchhe motiyon kee khoj men tha.
- 46 jab use aek bahumooly motee mila to us ne jakar apana sab kuchh bech dala aur use mol le liya..
- 47 fir svarga ka rajy us bade jal ke saman haai, jo samudra men dala gaya, aur har prakar kee machhaliyon ko samett laya.
- 48 aur jab bhr gaya, to us ko kinare par kheench laa, aur baaitkar achchhee achchhee to baratanon men ikattha kiya aur nikammee, nikammeen faenk dee.
- 49 jagat ke ant men aeese hee hoga: svargadoot akar dushtton ko dharmiyon se alag karenge, aur unhen ag ke kund men dalenge.
- 50 vahan rona aur dant peesana hoga.
- 51 kya tum ne ye sab baten samajheen?
- 52 unhon ne us se kaha, han us ne un se kaha, isaaliye har ek shaasree jo svarga ke rajy

ka chela bana haai, us grahasth ke saman haai jo apane bhndar se nai aur puranee vastuen nikalata haai..

53 jab yeeshu ne sab drashttant kah chuka, to vahan se chala gaya.

54 aur apane desh men akar un kee sabha men unhen aeese upadesh dene laga ki ve chakit hokar kahane lage ki is ko yah gyaan aur samarth ke kam kahan se mile?

55 kya yah baddhi ka betta naheen? aur kya is kee mata ka nam mariyam aur is ke bhaiyon ke nam yakoob aur yoosufa aur shamaun aur yahooda naheen?

56 aur kya is kee sab bahinen hamare beech men naheen rahatee? fir is ko yah sab kahan se mila?

57 so unhon ne usake karan ttokar khai, par yeeshu ne un se kaha, bhvishyadvkta apane desh aur apane ghar ko chhod aur kaheen niradar naheen hota.

58 aur us ne vahan un ke avishvas ke karan bahut samarth ke kam naheen kiae..

ADHYĀYA 14

Us samay chauthai desh ke raja herodes ne yeeshu kee charcha sunee.

2 aur apane sevakon se kaha, yah yoohanna bapatisma denevala haai: vah mare huon men se jee utta haai, isee liye us se samarth ke kam pragatt hote haain.

3 kyonaki herodes ne apane bhai filippus kee patnee herodiyas ke kara, yoohanna ko pakadkar bandha, aur jelakhane men dal diya tha.

4 kyonaki yoohanna ne us se kaha tha, ki is ko rakhna tujhe uchit naheen haai.

5 aur vah use mar dalana chahata tha, par logon se drata tha, kyonaki ve use bhavishyadvkta janate the.

6 par jab herodes ka janm din aya, to herodiyas kee bettee ne utsav men nach dikhakar herodes ko khush kiya.

7 isaliye us ne shapath khakar vachan diya, ki jo kuchh too mangegee, maain tujhe doonga.

8 vah apanee mata kee uskai hui bolee, yoohanna bapaatisma denevale ka sir thal men yaheen mujhe mangava de.

9 raja dukhait hua, par apanee shapath ke, aur sath baaittnevalon ke kara, agyaa dee, ki de diya jaae.

10 aur jelakhane men logon ko bhejkar yoohanna ka sir kattva diya.

11 aur usaka sir thal men laya gaya, aur ladkee ko diya gaya aur vah us ko apanee man ke pas le gai.

12 aur usake chelon ne akar aur us kee loth ko le jakar gaddh diya aur jakar yeeshu ko samachar diya..

13 jab yeeshu ne yah suna, to nav par chaddhkar vahan se kisee sunasan jagah aekant men chala gaya aur log yah sunakar nagar nagar se paaidal usake peechhe ho laie.

14 us ne nikalakar badee bheed dekhee aur un par taras khaya aur us ne un ke beemaron ko changa kiya.

15 jab sanjh hui, to usake chelon ne usake pas akar kaha yah to sunasan jagah haai aur der ho rahee haai, logon ko vida kiya jaae ki ve bastaiyon men jakar apane liye bhojan mol len.

16 yeeshu ne un se kaha un ka jana avashyak naheen! tum hee inhen khane ko do.

17 unhon ne us se kaha yahan hamare pas panch rottee aur do machhliyon ko chhod aur kuchh naheen haai.

- ¹⁸ us ne kaha, un ko yahan mere pas le ao.
- ¹⁹ tab us ne logon ko ghaas par baaitne ko kaha, aur un panch rottiyaen aur do machhliyon ko liya aur svarga kee or dekhkar dhanyavad kiya aur rottiyaen tod todkar chelon ko dee, aur chelon ne logon ko.
- ²⁰ aur sab khakar trapt ho gaa, aur unhon ne bache huae ttukadon se bhree hui barah ttokaariyan uttai.
- ²¹ aur khanevale striayon aur balakon ko chhodkar panch hajar purooshaen ke atkal the..
- ²² aur us ne turant apane chelon ko barabas nav par chaddhaya, ki ve us se pahile par chale jaae, jab tak ki vah logon ko vida kare.
- ²³ vah logon ko vida karake, praarthna karane ko alag pahad par chaddh gaya aur sanjh ko vahan akela tha.
- ²⁴ us samay nav jheel ke beech laharon se dgamaga rahee thee, kyonki hava samhane kee thee.
- ²⁵ aur vah rat ke chauthi pahar jheel par chalute huae un ke pas aya.
- ²⁶ chele us ko jheel par chalute huae dekhkar ghabara gaae! aur kahane lage, vah boot haai aur dar ke mare chilla utte.
- ²⁷ yeeshu ne turant un se baten kee, aur kaha ddhaddhs bandhae maain hoon dro mata.
- ²⁸ pataras ne us ko uttr diya, he prabhu, yadi too hee haai, to mujhe apane pas panee par chalakar ane kee agyaa de.
- ²⁹ us ne kaha, a: tab pataras nav par se utarakar yeeshu ke pas jane ko panee par chalane laga.
- ³⁰ par hava ko dekhkar dr gaya, aur jab oobane laga, to chillakar kaha he prabhu, mujhe bacha.
- ³¹ yeeshu ne turant hath baddhakar use tham liya, aur us se kaha, he alpa-avishvasee, too ne kyon sandeh kiya?
- ³² jab ve nav par chaddh gaa, to hava thm gai.
- ³³ is par jo nav par the, unhon ne use dandvat karake kaha sachamuch too parameshvar ka putra haai..
- ³⁴ ve par utarakar gannesarat desh men pahunche.
- ³⁵ aur vahan ke logon ne use pahachanakar as pas ke sare desh men kahala bheja, aur sab beemaron ko usake pas laae.
- ³⁶ aur us se binatee karane lage, ki vah unhen apane vasr ke anchal hee ko choone de: aur jitanaen ne use chooa, ve change ho gaae..

ADHYĀYA 15

- t**ab yarooshalem se kitane fareesee aur shaasree yeeshu ke pas akar kahane lage.
- ² tere chele puraniyon kee reeton ko kyon ttalate haai, ki bina hath dhaeae rottee khate haain?
- ³ us ne un ko uttr diya, ki tum bhee apanee reeton ke karan kyon parameshvar kee agyaa ttalate ho?
- ⁴ kyonaki parameshvar ne kaha tha, ki apane pita aur apanee mata ka adar karana: aur jo koi pita ya mata ko bura kahe, vah mar dala jaae.
- ⁵ par tum kahate ho, ki yadi koi apane pita ya mata se kahe, ki jo kuchh tujhe mujh se labh pahunch sakata tha, vah parameshvar ko bhentt chaddhai ja chukee.

- ⁶ to vah apane pita ka adar n kare, so tum ne apanee reeton ke karan parameshvar ka vachan tta diya.
- ⁷ he kapattyaie, yashaayah ne tumhare vishay men yah bhavishyadanee tteek kee.
- ⁸ ki ye log hotton se to mera adar karate haai, par un ka man mujh se door rahata haai.
- ⁹ aur ye vyarth meree upasana karate haai, kyonki manushy kee vidhaiyon ko dhamorpadesh karake sikhate haain.
- ¹⁰ aur us ne logon ko apane pas bulakar un se kaha, suno aur samajho.
- ¹¹ jo munh men jata haai, vah manushy ko ashuuddh naheen karata, par jo munh se nikalata haai, vahee manushy ko ashuuddh karata haai.
- ¹² tab chelon ne akar us se kaha, kya too janata haai ki fareeasiyon ne yah vachan sunakar ttokar khai?
- ¹³ us ne uttr diya, har paudha jo mere svargeey pita ne naheen lagaya, ukhada jaega.
- ¹⁴ un ko jane do ve andho marga dikhanevale haain: aur andha yadi andho ko marga dikhaa, to donon gadhe men gir padenge.
- ¹⁵ yah sunakar, pataras ne us se kaha, yah drashttant hamen samajha de.
- ¹⁶ us ne kaha, kya tum bhee ab tak na samajh ho?
- ¹⁷ kya naheen samajhte, ki jo kuchh munh men jata, vah pett men padta haai, aur sandas men nikal jata haai?
- ¹⁸ par jo kuchh munh se nikalata haai, vah man se nikalata haai, aur vahee manushy ko ashuuddh karata haai.
- ¹⁹ kyonaki kuchinta, hatya, parasreegaman, vyaabhaichar, choree, joottee gavahee aur ninda man hee se nikalatee haai.
- ²⁰ yahee haain jo manushy ko ashuuddh karatee haai, parantu hath bina dhaeae bhojan karana manushy ko ashuuddh naheen karata..
- ²¹ yeeshu vahan se nikalakar, soor aur saaida ke deshaen kee or chala gaya.
- ²² aur dekho, us desh se aek kananee sree nikalee, aur chillakar kahane lagee he prabhu daud ke santan, mujh par daya kar, meree bettee ko dushttatma bahut sata raha haai.
- ²³ par us ne use kuchh uttr n diya, aur usake chelon ne akar us se binatee kar kaha ise vida kara kyonki vah hamare peechhe chillatee atee haai.
- ²⁴ us ne uttr diya, ki israel ke gharane kee khoi hui bhedon ko chhod maain kisee ke pas naheen bheja gaya.
- ²⁵ par vah ai, aur use pranam karake kahane lagee he prabhu, meree sahayata kara.
- ²⁶ us ne uttr diya, ki ladkon kee rottee lekar kuton ke age dalana achchha naheen.
- ²⁷ us ne kaha, saty haai prabhu par kutte bhee vah choorachar khate haai, jo un ke svaamiyon kee mej se girate haain.
- ²⁸ is par yeeshu ne us ko uttr dekar kaha, ki he sre, tera vishvas bada haai: jaaisa too chahatee haai, tere liye vaaisa hee ho aur us kee bettee usee ghadee changee ho gai..
- ²⁹ yeeshu vahan se chalakar, galeel kee jheel ke pas aya, aur pahad par chaddhkar vahan baaitt gaya.
- ³⁰ aur bheed par bheed langado, andhae, goongo, ttundo, aur bahut auron ko lekar usake pas aae aur unhen usake panvon par dal diya, aur us ne unhen changa kiya.
- ³¹ so jab logon ne dekha, ki goonge bolate aur ttunde change hote aur langade chalate aur andho dekhte haai, to achambha karake israael ke parameshvar kee badai kee..
- ³² yeeshu ne apane chelon ko bulakar kaha, mujhe is bheed par taras ata haai kyonki ve teen din se mere sath haain aur un ke pas kuchh khane ko naheenn aur maain unhen bookha vida karana naheen chahata kaheen aeesa n ho ki marga men thkakar rah jaaen.

- ³³ chelon ne us se kaha, hamen jangal men kahan se itanee rottee milegee ki ham itanee badee bheed ko trapt karen?
- ³⁴ yeeshu ne un se poochha, tumhare pas kitanee rottiyaian haain? unhon ne kaha sat aur thodee see chhottee machhliyan.
- ³⁵ tab us ne logon ko boomi par baaitne kee agyaa dee.
- ³⁶ aur un sat rottiyaian aur machhliyon ko le dhanyavad karake toda aur apane chelon ko deta gaya aur chele logon ko.
- ³⁷ so sab khakar trapt ho gaae aur bache huae ttukadon se bhre huae sat ttokare uttaaee.
- ³⁸ aur khanevale striayon aur balakon ko chhod char hajar puroosh the.
- ³⁹ tab vah bheed ko vida karake nav par chaddh gaya, aur magadan desh ke sivanon men aya..

ADHYĀYA 16

- a**ur fareesiyon aur sadookiyon ne pas akar use parakhne ke liye us se kaha, ki hamen akash ka koi chinh dikha.
- ² us ne un ko uttr diya, ki sanjh ko tum kahate ho ki khula rahega kyonaki akash lal haai.
- ³ aur bhor ko kahate ho, ki aj andhaee aaegee kyonaki akash lal aur dhaumala haai tum akash ka lakshan dekhkar bhed bata sakate ho par samayon ke chinhon ko bhed naheen bata sakate?
- ⁴ is yug ke bure aur vyaabhaicharee log chinh ddoondhdhte haain par yoonus ke chinh ko chhod koi aur chinh unhen n diya jaaega, aur vah unhen chhodkar chala gaya..
- ⁵ aur chele par jate samay rottee lena bool gaae the.
- ⁶ yeeshu ne un se kaha, dekho fareesiyon aur sadookiyon ke khmeer se chaukas rahana.
- ⁷ ve apas men vichar karane lage, ki ham to rottee naheen laae.
- ⁸ yah janakar, yeeshu ne un se kaha, he alpavishvasiyo, tum apas men kyon vichar karate ho ki hamare pas rottee naheen?
- ⁹ kya tum ab tak naheen samajhe? aur un panch hajar kee panch rottee smaran naheen karate, aur n yah ki kitanee ttokaariyan uttain theen?
- ¹⁰ aur n un char hajar kee sat rottee aur n yah ki kitane ttokare uttaaee gaae the?
- ¹¹ tum kyon naheen samajhte ki maain ne tum se rottiyaian ke vishay men naheen kaha? fareesiyon aur sadookiyon ke khmeer se chaukas rahana.
- ¹² tab un ko samajh men aya, ki us ne rottee ke khmeer se nahee, par fareesiyon aur sadookiyon kee shaiksha se chaukas rahane ko kaha tha.
- ¹³ yeeshu kaaisariya filippe ke desh men akar apane chelon se poochhne laga, ki log manushy ke putra ko kya kahate haain?
- ¹⁴ unhon ne kaha, kitane to yoohanna bapatisma denevala kahate haain aur kitane eliyyah, aur kitane yirmayah ya bhvishyadvktaon men se koi ek kahate haain.
- ¹⁵ us ne un se kaha parantu tum mujhe kya kahate ho?
- ¹⁶ shamaun pataras ne uttr diya, ki too jeevate parameshvar ka putra maseeh haai.
- ¹⁷ yeeshu ne us ko uttr diya, ki he shamaun yona ke putra, too dhany haai kyonaki mans aur lohoo ne nahee, parantu mere pita ne jo svarga men haai, yah bat tujh par pragatt kee haai.
- ¹⁸ aur maain bhee tujh se kahata hoo, ki too pataras haai aur maain is patthr par apane

kaleeasiya banaunga: aur adhaelok ke faattk us par prabal n honge.

¹⁹ maain tujhe svarga ke rajy kee kunajiyan doonga: aur jo kuchh too prathvee par bandhoga, vah svarga men bandhoga aur jo kuchh too prathvee par kholega, vah svarga men khulega.

²⁰ tab us ne chelon ko chitaya, ki kisee se n kahana! ki maain maseeh hoon.

²¹ us samay se yeeshu apane chelon ko batane laga, ki mujhe avashy haai, ki yarooshalem ko jau, aur puraaniyon aur mahayajakon aur shaastraiyon ke hath se bahut dukh uttaun aur mar dala jaun aur teesare din jee utoon.

²² is par pataras use alag le jakar jhdikane laga ki he prabhu, parameshvar n kare tujh par aeese kabhee n hoga.

²³ us ne firakar pataras se kaha, he shautan, mere samhane se door ho: too mere liye ttokar ka karan haai kyonki too parameshvar kee baten nahee, par manushyon kee baton par man lagata haai.

²⁴ tab yeeshu ne apane chelon se kaha yadi koi mere peechhe ana chahe, to apane ap ka inkar kare aur apana kroos uttaa, aur mere peechhe ho le.

²⁵ kyonaki jo koi apana praan bachana chahe, vah use khoaga aur jo koi mere liye apana praan khoaga, vah use paaega.

²⁶ yaadi manushy sare jagat ko praapt kare, aur apane praan kee hati uttaa, to use kya labh hoga? ya manushy apane praan ke badale men kya dega?

²⁷ manushy ka putra apane svargadooton ke sath apane pita kee maahima men aaega, aur us samay vah har aek ko usake kamon ke anusar praatifal dega.

²⁸ maain tum se sach kahata hoo, ki jo yahan khde haai, un men se kitane aeese haain ki jab tak manushy ke putra ko usake rajy men ate huae n dekh lenge, tab tak mratyu ka svad kabhee n chakhenge.

ADHYĀYA 17

Chh: din ke bad yeeshu ne pataras aur yakoob aur usake bhai yoohanna ko sath liya, aur unhen aekant men kisee unche pahad par le gaya.

² aur unake samhane usaka roopantar hua aur usaka munh soorya kee nai chamaka aur usaka vasr jyoti kee nain ujala ho gaya.

³ aur dekho, moosa aur aeliyyah usake sath baten karate huae unhen dikhai diae.

⁴ is par pataras ne yeeshu se kaha, he prabhu, hamara yahan rahana achchha haai ichchha ho to yahan teen mandp banaun aek tere liye, aek moosa ke liye, aur aek aeliyyah ke liye.

⁵ vah bol hee raha tha, ki dekho, aek ujale badal ne unhen chha liya, aur dekho us badal men se yah shabd nikala, ki yah mera piry putra haai, jis se maain prasann hoon: is kee suno.

⁶ chele yah sunakar munh ke bal gir gaae aur atyant dr gaae.

⁷ yeeshu ne pas akar unhen chooa, aur kaha, utto dro mata.

⁸ tab unhon ne apanee ankhe uttakar yeeshu ko chhod aur kisee ko n dekha.

⁹ jab ve pahad se utar rahe the tab yeeshu ne unhen yah agyaa dee ki jab tak manushy ka putra mare huon men se n jee utte tab tak jo kuchh tum ne dekha haai kisee se n kahana.

¹⁰ aur usake chelon ne us se poochha, fir shaasree kyon kahate haai, ki aeliyyah ka pahale ana avashy haai?

- 11** us ne uttr diya, ki eliyah to aega: aur sab kuchh sudhaarega.
- 12** parantu maain tum se kahata hoo, ki aeliyyah a chuka aur unhon ne use naheen pahachana parantu jaisa chaha vaaisa hee usake sath kiya: isee reeti se manushy ka putra bhee un ke hath se dukh uttaaega.
- 13** tab chelon ne samajha ki us ne ham se yohanna bapatisma denevale ke vishay men kaha haai.
- 14** jab ve bheed ke pas pahunche, to aek manushy usake pas aya, aur ghauttne ttekakar kahane laga.
- 15** he prabhu, mere putra par daya kara kyonki us ko mirgee atee haai: aur vah bahut dukh uttata haai aur bar bar ag men aur bar bar panee men gir padta haai.
- 16** aur maain us ko tere chelon ke pas laya tha, par ve use achchha naheen kar sake.
- 17** yeeshu ne uttr diya, ki he avishvasee aur hatteele logon maain kab tak tumhare sath rahoonga? kab tak tumharee sahoonga? use yahan mere pas lao.
- 18** tab yeeshu ne use ghaudka, aur dushttatma us men se nikala aur ladka usee ghadee achchha ho gaya.
- 19** tab chelon ne aekant men yeeshu ke pas akar kaha ham ise kyon naheen nikal sake?
- 20** us ne un se kaha, apane vishvas kee ghattee ke karan: kyonaki maain tum se sach kahata hoo, yadi tumhara vishvas rai ke dane ke barabar bhee ho, to is pahad se kah sakoge, ki yahan se sarakakar vahan chala ja, to vah chala jaega aur koi bat tumhare liye anhonee n hogee.
- 21** jab ve galeel men the, to yeeshu ne un se kaha manushy ka putra manushyon ke hath men pakadvaya jaaega.
- 22** aur ve use mar dalenge, aur vah teesare din jee uttega.
- 23** is par ve bahut udas huae..
- 24** jab ve kafaranahoom men pahunche, to maandair ke liye kar lenevalon ne pataras ke pas akar poochha, ki kya tumhara guroo mandair ka kar naheen deta? us ne kaha, han deta to haai.
- 25** jab vah ghar men aya, to yeeshu ne usake poochhne se pahile us se kaha, he shamaun too kya samajhta haai? prathvee ke raja mahasool ya kar kin se lete haain? apane putraen se ya parayon se? pataras ne un se kaha, parayon se.
- 26** yeeshu n us se kaha, to putra bach gaae.
- 27** taubhee isaaliye ki ham unhen ttokar n khailaae, too jheel ke kinare jakar bansee dal, aur jo machhlee pahile nikale, use le to tujhe usaka munh kholane par aek sikka milega, usee ko lekar mere aur apane badale unhen de dena..

ADHYĀYA 18

Usee ghadee chele yeeshu ke pas akar poochhne lage, ki svarga ke rajy men bada kaun haai?

- 2** is par us ne aek balak ko pas bulakar un ke beech men khda kiya.
- 3** aur kaha, maain tum se sach kahata hoo, yadi tum n firo aur balakon ke saman n bano, to svarga ke rajy men pravesh karane naheen paoge.
- 4** jo koi apane ap ko is balak ke saman chhotta karega, vah svarga ke rajy men bada hoga.
- 5** aur jo koi mere nam se aek aeese balak ko grahan karata haai vah mujhe grahan karata haai.

- ⁶ par jo koi in chhotton men se jo mujh par vishvas karate haain aek ko ttokar khailaa, usake liye bhla hota, ki badee chakkee ka patt usake gale men lattkaya jata, aur vah gaahire samudra men dubaya jata.
- ⁷ ttokaron ke karan sansar par haya! ttokaron ka lagana avashy haai par hay us manushy par jis ke dara ttokar lagatee haai.
- ⁸ yaadi tera hath ya tera panv tujhe ttokar khailaa, to kattkar faenk de ttunda ya langada hokar jeevan men pravesch karana tere liye is se bhla haai, ki do hath ya do panv rahate huae too anant ag men dala jaae.
- ⁹ aur yaadi teree ankh tujhe ttokar khailaa, to use nikalakar faenk de.
- ¹⁰ kana hokar jeevan men pravesch karana tere liye is se bhla haai, ki do ankh rahate huae too narak kee ag men dala jaae.
- ¹¹ dekho, tum in chhotton men se kisee ko tuchchh n janana kyonaki maain tum se kahata hoo, ki svarga men un ke doot mere svargeey pita ka munh sada dekhte haain.
- ¹² tum kya samajhte ho? yaadi kisee manushy kee sau bheden ho, aur un men se aek bhittk jaa, to kya ninnanave ko chhodkar, aur pahadon par jakar, us bhittkee hui ko n ddoondhega?
- ¹³ aur yaadi aeese ho ki use paa, to maain tum se sach kahata hoo, ki vah un ninnanave bheden ke liye jo bhittkee naheen theen itana anand naheen karega, jitana ki is bhed ke liye karega.
- ¹⁴ aeese hee tumhare pita kee jo svarga men haai yah ichchha nahee, ki in chhotton men se aek bhee nash ho.
- ¹⁵ yaadi tera bhai tera aparadha kare, to ja aur akele men batacheet karake use samajha yadi vah teree sune to too ne apane bhai ko pa liya.
- ¹⁶ aur yaadi vah n sune, to aur aek do jan ko apane sath le ja, ki har aek bat do ya teen gavahon ke munh se ttharai jaae.
- ¹⁷ yaadi vah un kee bhee n mane, to kaleeasiya se kah de, parantu yadi vah kaleeasiya kee bhee n mane, to too use anyajaati aur mahasool lenevale ke aeese jana.
- ¹⁸ maain tum se sach kahata hoo, jo kuchh tum prathvee par bandhaege, vah svarga par bandhoga aur jo kuchh tum prathvee par khologe, vah svarga par khulega.
- ¹⁹ fir maain tum se kahata hoo, yadi tum men se do jan prathvee par kisee bat ke liye jise ve mange, aek man ke ho, to vah mere pita kee or se svarga men haai un ke liye ho jaaege.
- ²⁰ kyonaki jahan do ya teen mere nam par ikatthe hote haain vahan maain un ke beech men hota hoon..
- ²¹ tab pataras ne pas akar, us se kaha, he prabhu, yaadi mera bhai aparadha karata rahe, to maain kitanee bar use kshama karoo, kya sat bar taka?
- ²² yeeshu ne us se kaha, maain tujh se yah naheen kahata, ki sat bar, baran sat bar ke satr guene taka.
- ²³ isaliye svarga ka rajy us raja ke saman haai, jis ne apane dason se lekha lena chaha.
- ²⁴ jab vah lekha lene laga, to aek jan usake samhane laya gaya jo das hajar tode dhaarata tha.
- ²⁵ jab ki chukane ko usake pas kuchh n tha, to usake svamee ne kaha, ki yah aur is kee patnee aur ladkebaale aur jo kuchh is ka haai sab becha jaa, aur vah karja chuka diya jaae.
- ²⁶ is par us das ne girakar use pranam kiya, aur kaha he svamee, dhaeeraj dhar, maain sab kuchh bhr doonga.
- ²⁷ tab us das ke svamee ne taras khakar use chhod diya, aur usaka dhaar kshama kiya.

- ²⁸ parantu jab vah das bahar nikala, to usake sangee dason men se aek us ko mila, jo usake sau deenar dhaarata tha us ne use pakadkar usaka gala ghaentta, aur kaha jo kuchh too dhaarata haai bhr de.
- ²⁹ is par usaka sangee das girakar, us se binatee karane laga ki dhaeeraj dhar maain sab bhr doonga.
- ³⁰ us ne n mana, parantu jakar use bandeeagrah men dal diya ki jab tak karja ko bhr n de, tab tak vaheen rahe.
- ³¹ usake sangee das yah jo hua tha dekhkar bahut udas hua, aur jakar apane svamee ko poora hal bata diya.
- ³² tab usake svamee ne us ko bulakar us se kaha, he dusht das, too ne jo mujh se binatee kee, to maain ne to tera vah poora karja kshama kiya.
- ³³ so jaaaisa maain ne tujh par daya kee, vaaise hee kya tujhe bhee apane sangee das par daya karana naheen chaahiae tha?
- ³⁴ aur usake svamee ne krodha men akar use dand denevalon ke hath men saunp diya, ki jab tak vah sab karja bhr n de, tab tak un ke hath men rahe.
- ³⁵ isee prakar yaadi tum men se har aek apane bhai ko man se kshama n karega, to mera pita jo svarga men haai, tum se bhee vaaisa hee karega..

ADHYĀYA 19

- J**ab yeeshu ye baten kah chuka, to galeel se chala gaya aur yahoodiya ke desh men yaradan ke par aya.
- ² aur badee bheed usake peechhe ho lee, aur us ne unhen vahan changa kiya..
- ³ tab fareesee us kee pareeksha karane ke liye pas akar kahane lage, kya har aek karan se apanee patnee ko tyagana uchit haai?
- ⁴ us ne uttr diya, kya tum ne naheen paddha, ki jis ne unhen banaya, us ne arambh se nar aur naree banakar kaha.
- ⁵ ki is karan manushy apane mata pita se alag hokar apanee patnee ke sath rahega aur ve donon aek tan honge?
- ⁶ so v ab do nahee, parantu aek tan haain: isaliye jise parameshvar ne joda haai, use manushy alag n kare.
- ⁷ unhon ne us se kaha, fir moosa ne kyon yah ttharaya, ki tyagapatra dekar use chhod de?
- ⁸ us ne un se kaha, moosa ne tumhare man kee kattorata ke karan tumhen apanee patnee ko chhod dene kee agyaa dee, parantu arambh men aeese naheen tha.
- ⁹ aur maain tum se kahata hoo, ki jo koi vyabhaichar ko chhod aur kisee karan se apanee patnee ko tyagakar, doosaree se byah kare, vah vyabhaichar karata haai: aur jo chhodee hui ko byah kare, vah bhee vyabhaichar karata haai.
- ¹⁰ chelon ne us se kaha, yaadi puroosh ka sree ke sath aeese sambandha haai, to byah karana achchha naheen.
- ¹¹ us ne un se kaha, sab yah vachan grahan naheen kar sakate, keval ve jin ko yah dan diya gaya haai.
- ¹² kyonaki kuchh napunsak aeese haain jo mata ke garbh hee se aeese janmen aur kuchh nanpusak aeese haai, jinhen manushy ne napunsak banaya: aur kuchh napunsak aeese haai, jinhon ne svarga ke rajy ke liye apane ap ko napunsak banaya haai, jo is ko grahan kar sakata haai, vah grahan kare.

- 13** tab log balakon ko usake pas laa, ki vah un par hath rakhe aur praarthna kare par chelon ne unhen dantta.
- 14** yeeshu ne kaha, balakon ko mere pas ane do: aur unhen mana n karo, kyonki svarga ka rajy aeeson hee ka haai.
- 15** aur vah un par hath rakhkar, vahan se chala gaya.
- 16** aur dekho, aek manushy ne pas akar us se kaha, he guroo maain kaun sa bhla kam karoo, ki anant jeevan paun?
- 17** us ne us se kaha, too mujh se bhlai ke vishay men kyon poochhta haai? bhla to ek hee haai par yadi too jeevan men pravesh karana chahata haai, to agyaaon ko mana kara.
- 18** us ne us se kaha, kaun see agyaaen? yeeshu ne kaha, yah ki hatya n karana, vyabhaichar n karana, choree n karana, joottee gavahee n dena.
- 19** apane pita aur apanee mata ka adar karana, aur apane padosee se apane saman praem rakhna.
- 20** us javan ne us se kaha, in sab ko to maain ne mana haai ab mujh men kis bat kee ghattee haai?
- 21** yeeshu ne us se kaha, yaadi too siddh hona chahata haai to ja, apana mal bechakar kangalon ko de aur tujhe svarga men dhan milega aur akar mere peechhe ho le.
- 22** parantu vah javan yah bat sun udas hokar chala gaya, kyonaki vah bahut dhanee tha..
- 23** tab yeeshu ne apane chelon se kaha, maain tum se sach kahata hoo, ki dhanavan ka svarga ke rajy men pravesh karana kaattnai haai.
- 24** fir tum se kahata hoo, ki parameshvar ke rajy men dhanavan ke pravesh karane se untt ka sooi ke nake men se nikal jana sahaj haai.
- 25** yah sunakar, chelon ne bahut chakit hokar kaha, fir kis ka uddhar ho sakata haai?
- 26** yeeshu ne un kee or dekhkar kaha, manushyon se to yah naheen ho sakata, parantu parameshvar se sab kuchh ho sakata haai.
- 27** is par pataras ne us se kaha, ki dek, ham to sab kuchh chhod ke tere peechhe ho liye haain: to hamen kya milega?
- 28** yeeshu ne un se kaha, maain tum se sach kahata hoo, ki nai utpaati se jab manushy ka putra apanee maahima ke sihasan par baaittega, to tum bhee jo mere peechhe ho liye ho, barah sinhasanon par baaittkar israael ke barah gotraen ka nyay karoge.
- 29** aur jis kisee ne gharon ya bhaiyon ya bahinon ya pita ya mata ya ladkebalon ya kheton ko mere nam ke liye chhod diya haai, us ko sau guna milega: aur vah anant jeevan ka aadhaikaree hoga.
- 30** parantu bahutere jo paahile haai, pichhle honge aur jo pichhle haai, pahile honge..

ADHYĀYA 20

Svarga ka rajy kisee grahasth ke saman haai, jo sabere nikala, ki apane dakh kee baree men majadooron ko lagaae.

- 2** aur us ne majadooron se aek deenar raj par ttharakar, unhen apane dakh kee baree men bheja.
- 3** fir pahar aek din chaddhe, nikalakar, aur auron ko bajar men bekar khde dekhkar,
- 4** un se kaha, tum bhee dakh kee baree men jao, aur jo kuchh tteek haai, tumhen doonga so ve bhee gae.
- 5** fir us ne doosare aur teesare pahar ke nikatt nikalakar vaaisa hee kiya.
- 6** aur aek ghannta din rahe fir nikalakar auron ko khde paya, aur un se kaha tu kyon yahan

din bhr bekar khde rahe? unhon ne us se kaha, isaliye, ki kisee ne hamen majadooree par naheen lagaya.

⁷ us ne un se kaha, tum bhee da,a kee baree men jao.

⁸ sanjh ko dakh baree ke svamee ne apane bhndaree se kaha, majadooron ko bulakar pichhlon se lekar paahilon tak unhen majadooree de de.

⁹ so jab ve aa, jo ghannta bhr din rahe lagaae gaae the, to unhen aek aek deenar mila.

¹⁰ jo paahile aa, unhon ne yah samajha, ki hamen aadhaik milega parantu unhen bhee aek hee aek deenar mila.

¹¹ jab mila, to vah grahasth par kudkuda ke kahane lage.

¹² ki in pichhlon ne aek hee ghannta kam kiya, aur too ne unhen hamare barabar kar diya, jinhon ne din bhr ka bhar uttaya aur ghaam saha?

¹³ us ne un men se ek ko uttr diya, ki he mitra, maain tujh se kuchh anyay naheen karata kya too ne mujh se ek deenar n ttaraya?

¹⁴ jo tera haai, utta le, aur chala ja meree ichchha yah haai ki jitana tujhe, utana hee is pichhle ko bhee doon.

¹⁵ kya uchit naheen ki man apane mal se jo chahoon so karoona? kya too mere bhle hone ke karan buree drashti se dekhta haai?

¹⁶ isee reeti se jo pichhle haai, vah pahile honge, aur jo paahile haai, ve pichhle honge..

¹⁷ yeeshu yarooshalem ko jate huae barah chelon ko aekant men le gaya, aur marga men un se kahane laga.

¹⁸ ki dekho, ham yarooshalem ko jate haain aur manushy ka putra mahayajakon aur shaaastriyon ke hath pakadvaya jaaega aur ve us ko ghaat ke yogy ttaraaenge.

¹⁹ aur us ko anyajatiyon ke hath sonpenge, ki ve use tttthon men udaae, aur kode mare, aur kroos par chaddhaae, aur vah teesare din jilaya jaaega..

²⁰ jab jabdee ke putraen kee mata ne apane putraen ke sath usake pas akar pranam kiya, aur us se kuchh mangane lagee.

²¹ us ne us se kaha, too kya chahatee haai? vah us se bolee, yah kah, ki mere ye do putra tere rajy men ek tere daahine aur ek tere baen baaitten.

²² yeeshu ne uttr diya, tum naheen janate ki kya mangate ho? jo kattora maain peene par hoo, kya tum pee sakate ho? unhon ne us se kaha, pee sakate haain.

²³ us ne un se kaha, tum mera kattora to peeoge par apane daahine baen kisee ko bittana mera kam nahee, par jin ke liye mere pita kee or se taaiyar kiya gaya, unhen ke liye haai.

²⁴ yah sunakar, dason chele un donon bhaiyon par krudh huae.

²⁵ yeeshu ne unhen pas bulakar kaha, tum janate ho, ki any jaatiyon ke haakim un par prabhuta karate haain aur jo bade haai, ve un par adhaikar jatate haain.

²⁶ parantu tum men aeese n hoga parantu jo koi tum men bada hona chahe, vah tumhara sevak bane.

²⁷ aur jo tum men pradhaan hona chahe vah tumhara das bane.

²⁸ jaaise ki manushy ka putra, vah isaliye naheen aya ki us kee seva tthal kii jaa, parantu isaaliye aya ki ap seva tthal kare aur bahuton kee chhudautee ke liye apane praan de..

²⁹ jab ve yareeho se nikal rahe the, to aek badee bheed usake peechhe ho lee.

³⁰ aur dekho, do andho, jo sadkar ke kinare baaitte the, yah sunakar ki yeeshu ja raha haai, pukarakar kahane lage ki he prabhu, daud kee santan, ham par daya kara.

³¹ logon ne unhen dantta, ki chup rahe, par ve aur bhee chillakar bole, he prabhu, daud kee santan, ham par daya kara.

³² tab yeeshu ne khde hokar, unhen bulaya, aur kaha

³³ tum kya chahate ho ki maain tumhare liye karoon? unhon ne us se kaha, he prabhu yah ki hamaree ankhe khul jaaen.

³⁴ yeeshu ne taras khakar un kee ankhe chooi, aur ve turant dekhne lage aur usake peechhe ho liae..

ADHYĀYA 21

Jab ve yarooshalem ke nikatt pahunche aur jaaitoon pahad par baaitafage ke pas aa, to yeeshu ne do chelon ko yah kahakar bheja.

² ki apane samhane ke ganv men jao, vahan panhuchate hee aek gadahee bandhaee hui, aur usake sath bachcha tumhen milega unhen kholakar, mere pas le ao.

³ yaadi tum men se koi kuchh kahe, to kaho, ki prabhu ko in ka prayojan haai: tab vah turant unhen bhej dega.

⁴ yah isaliye hua, ki jo vachan bhavishyadvkta ke dara kaha gaya tha, vah poora ho

⁵ ki siyyon kee bettee se kaho, dek, tera raja tere pas ata haai vah namra haai aur gadahe par baaita haai baran ladoo ke bachche para.

⁶ chelon ne jakar, jaaisa yeeshu ne un se kaha tha, vaaisa hee kiya.

⁷ aur gadahee aur bachche ko likar, un par apane kapade dale, aur vah un par baait gaya.

⁸ aur bahutere logon ne apane kapade marga men bichhaa, aur aur logon ne pedon se daaliyan kattkar marga men bichhai.

⁹ aur jo bheed age age jatee aur peechhe peechhe chalee atee thee, pukar pukar kar kahatee thee, ki daud kee santan ko hoshaana dhany haai vah jo prabhu ke nam se ata haai, akash men hoshaana.

¹⁰ jab us ne yarooshalem men praveshe kiya, to sare nagar men halachal mach gai aur log kahane lage, yah kaun haai?

¹¹ logon ne kaha, yah galeel ke nasarat ka bhvishyadvkta yeeshu haai..

¹² yeeshu ne parameshvar ke mandair men jakar, un sab ko, jo mandair men len den kar rahe the, nikal diya aur sarrafaon ke peeddhe aur kabootaron ke bechanevalon kee chauakiyan ulatt deen.

¹³ aur un se kaha, likha haai, ki mera ghar praarthna ka ghar kahalaagea parantu tum use dakuon kee khoh banate ho.

¹⁴ aur andho aur langade, maandair men usake pas laa, aur us ne unhen changa kiya.

¹⁵ parantu jab mahayajakon aur shaaastriyon ne in adabhut kamon ko, jo us ne kia, aur ladkon ko maandair men daud kee santan ko hoshaana pukarate huae dekha, to krodhait hokar us se kahane lage, kya too sunata haai ki ye kya kahate haain?

¹⁶ yeeshu ne un se kaha, han kya tum ne yah kabhee naheen paddha, ki balakon aur doodha peete bachchon ke munh se tu ne stuati siddh karai?

¹⁷ tab vah unhen chhodkar nagar ke bahar baaitaniyyah ko gaya, or vahana rat bitai..

¹⁸ bhor ko jab vah nagar ko laut raha tha, to use bookh lagee.

¹⁹ aur anjeer ke ped sadk ke kinare dekhkar vah usake pas gaya, aur paton ko chhod us men aur kuchh n pakar us se kaha, ab se tujh men fir kabhee fal n lage aur anjeer ka ped turant sukh gaya.

²⁰ yah dekhkar chelon ne achambha kiya, aur kaha, yah anjeer ka ped kyonkar turant sookh gaya?

²¹ yeeshu ne un ko uttr diya, ki maain tum se sach kahata hoon yaadi tum vishvas rakho,

aur sandeh n karo to n keval yah karoge, jo is anjeer ke ped se kiya gaya haai parantu yadi is pahad se bhee kahoge, ki ukhd jo aur samudra men ja pad, to yah ho jaaega.

22 aur jo kuchh tum praarthna men vishvas se mangoge vah sab tum ko milega..

23 vah maandair men jakar upadesh kar raha tha, ki mahayajakon aur logon ke puraniyon ne usake pas akar poochha, too ye kam kis ke adhaikar se karata haai? aur tujhe yah aadhaikar kis ne diya haai?

24 yeeshu ne un ko uttr diya, ki maain bhee tum se aek bat poochhta hoon yadi vah mujhe bataoge, to maain bhee tumhen bataunga ki ye kam kis adhaikar se karata hoon.

25 yoohanna ka bapaatisma kahan se tha? svarga kee or se ya manushyon kee or se tha? tab ve apas men vivad karane lage, ki yadi ham kahen svarga kee or se, to vah hame se kahega, fir tum ne us kee prateeati kyon n kee?

26 aur yaadi kahen manushyon kee or se to hamen bheed ka dr haai kyonaki ve sab yuhanna ko bhvishyadvkta janate haain.

27 so unhon ne yeeshu ko uttr diya, ki ham naheen janate us ne bhee un se kaha, to maain bhee tumhen naheen batata, ki ye kam kis adhaikar se karata hoon.

28 tum kya samajhte ho? kisee manushy ke do putra the us ne pahile ke pas jakar kaha he putra aj dakh kee baree men kam kara.

29 us ne uttr diya, maain naheen jaunga, parantu peechhe pachhta kar gaya.

30 fir doosare ke pas jakar aeesa hee kaha, us ne uttr diya, jee han jata hoo, parantu naheen gaya.

31 in donon men se kis ne pita kee ichchha pooree kee? unhon ne kaha, pahile ne: yeeshu ne un se kaha, maain tum se sach kahata hoo, ki mahasool lenevale aur veshya tum se pahile parameshvar ke rajy men pravesch karate haain.

32 kyonaki yoohanna dharma ke marga se tumhare pas aya, aur tum ne us kee prateeeti n kee: par mahasool lenevalon aur veshyaon ne us kee prateeeti kee: aur tum yah dekhkar peechhe bhee n pachhtaae ki us kee prateeeti kar lete..

33 aek aur drashttant suno: aek grahasth tha, jis ne dakh kee baree lagai aur usake charon or bada bandhaa aur us me ras ka kund khoda aur gummatt banaya aur kisanon ko usaka tteeka dekar paradesh chala gaya.

34 jab fal ka samay nikatt aya, to us ne apane dason ko usaka fal lene ke liye kisanon ke pas bheja.

35 par kisanon ne usake dason ko pakad ke, kisee ko peetta, aur kisee ko mar dala aur kisee ko patthravah kiya.

36 fir us ne aur dason ko bheja, jo pahilon se aadhaik the aur unhon ne un se bhee vaaisa hee kiya.

37 ant men us ne apane putra ko un ke pas yah kahakar bheja, ki ve mere putra ka adar karenge.

38 parantu kisanon ne putra ko dekhkar apas men kaha, yah to vaaris haai, ao, use mar dalen: aur us kee meeras le len.

39 aur unhon ne use pakada aur dakh kee baree se bahar nikalakar mar dala.

40 isaliye jab dakh kee baree ka svamee aaega, to un kisanon ke sath kya karega?

41 unhonne us se kaha, vah un bure logon ko buree reeati se nash karega aur dakh kee baree ka tteeka aur kisanon ko dega, jo samay par use fal diya karenge.

42 yeeshu ne un se kaha, kya tum ne kabhee paavitra shaasr men yah naheen paddha, ki jis patthr ko rajaamistriayon ne nikamma ttharaya tha, vahee kone ke sire ka patthr ho gaya?

⁴³ yah prabhu kee or se hua, aur hamare dekhte men adabhut haai, isaaliye maain tum se kahata hoo, ki parameshvar ka rajy tum se le liya jaaega aur aeesee jaati ko jo usaka fal laa, diya jaaega.

⁴⁴ jo is patthr par girega, vah chakanachoor ho jaaega: aur jis par vah girega, us ko pees dalega.

⁴⁵ mahayajak aur fareesee usake drashtanton ko sunakar samajh gaa, ki vah hamare vishay men kahata haai.

⁴⁶ aur unhon ne use pakadna chaha, parantu logon se dr gaae kyonki ve use bhavishyadvkta janate the..

ADHYĀYA 22

Is par yeeshu fir un se drashtanton men kahane laga.

² svarga ka rajy us raja ke saman haai, jis ne apane putra ka byah kiya.

³ aur us ne apane dason ko bheja, ki nevatahaariyon ko byah ke bhoj men bulaaen parantu unhon ne ana n chaha.

⁴ fir us ne aur dason ko yah kahakar bheja, ki nevatahaariyon se kaho, dekho maain bhoj taaiyar kar chuka hoo, aur mere baail aur pale huae pashu mare gaae haain: aur sab kuchh taaiyar haai byah ke bhoj men ao.

⁵ parantu ve beparavai karake chal diae: koi apane khet ko, koi apane byopar ko.

⁶ auron ne jo bach rahe the usake dason ko pakadkar un ka anadar kiya aur mar dala.

⁷ raja ne krodha kiya, aur apanee sena bhejekar un hatyaron ko nash kiya, aur un ke nagar foonk diya.

⁸ tab us ne apane dason se kaha, byah ka bhoj to taaiyar haai, parantu nevataharee yogy n tthare.

⁹ isaliye chaurahon men jao, aur jitane log tumhen mile, sab ko byah ke bhoj men bula lao.

¹⁰ so un dason ne sadkon par jakar kya bure, kya bhle, jitane mile, sab ko ikatthe kiya aur byah ka ghar jevanaharon se bhr gaya.

¹¹ jab raja jevanaharon ke dekhne ko bheetar aya to us ne vahan aek manushy ko dekha, jo byah ka vasr naheen paahine tha.

¹² us ne usase poochha he mitra too byah ka vasr paahine bina yahan kyon a gaya? usaka munh band ho gaya.

¹³ tab raja ne sevakon se kaha, is ke hath panv bandhakar use bahar aandhiayare men dal do, vahan rona, aur dant peesana hoga.

¹⁴ kyonaki bulaae huae to bahut parantu chune huae thode haain..

¹⁵ tab fareesiyon ne jakar apas men vichar kiya, ki us ko kis prakar baton men fansaaen.

¹⁶ so unhon ne apane chelon ko herodiyon ke sath usake pas yah kahane ko bheja, ki he guroo ham janate haai, ki too sachcha haai aur parameshvar ka marga sachchai se sikhata haai aur kisee kee parava naheen karata, kyonki too manushyon ka munh dekhkar baten nahee karata.

¹⁷ is liye hamen bata too kya samajhta haai? kaaisar ko kar dena uchit haai, ki naheen.

¹⁸ yeeshu ne un kee dushtta janakar kaha, he kapaattyaien mujhe kyon parakhte ho?

¹⁹ kar ka sikka mujhe dikhao: tab ve usake pas aek deenar le aae.

²⁰ us ne, un se poochha, yah mootira aur nam kis ka haai?

- 21 unhon ne us se kaha, kaaisar ka tab us ne, un se kaha jo kaaisar ka haai, vah kaaisar ko aur jo parameshvar ka haai, vah parameshvar ko do.
- 22 yah sunakar unhon ne achambha kiya, aur use chhodkar chale gaae..
- 23 usee din sadookee jo kahate haain ki mare huon ka punarootthan haai hee naheen usake pas aa, aur us se poochha.
- 24 ki he guroo moosa ne kaha tha, ki yadi koi bina santan mar jaa, to usaka bhai us kee patnee ko byah karake apane bhai ke liye vansh utpann kare.
- 25 ab hamare yahan sat bhai the paahila byah karake mar gaya aur santan n hone ke karan apanee patnee ko apane bhai ke liye chhod gaya.
- 26 isee prakar doosare aur teesare ne bhee kiya, aur saton tak yahee hua.
- 27 sab ke bad vah sree bhee mar gai.
- 28 so jee uttne par, vah un saton men se kis kee patnee hogee? kyonaki vah sab kee patnee ho chukee thee.
- 29 yeeshu ne unhen uttr diya, ki tum pavitra shaasr aur parameshvar kee samarth naheen janate is karan bool men pad gaae ho.
- 30 kyonaki jee uttne par byah shaadee n hogee parantu ve svarga men parameshvar ke dooton kee nai honge.
- 31 parantu mare huon ke jee uttne ke vishay men kya tum ne yah vachan naheen paddha jo parameshvar ne tum se kaha.
- 32 ki maain ibraaheem ka parameshvar, aur isahak ka parameshvar, aur yakoob ka parameshvar hoon? vah to mare huon ka nahee, parantu jeevaton ka parameshvar haai.
- 33 yah sunakar log usake upadesh se chakit hue.
- 34 jab fareesiyon ne suna, ki us ne sadookiyon ka munh band kar diya to ve ikatthe huae.
- 35 aur un men se aek vyavasthapak ne parakhne ke liye, us se poochha.
- 36 he guroo vyavastha men kaun see agyaa badee haai?
- 37 us ne us se kaha, too parameshvar apane prabhu se apane sare man aur apane sare praan aur apanee saree buaddh ike sath praem rakh.
- 38 badee aur mukhy agyaa to yahee haai.
- 39 aur usee ke saman yah doosaree bhee haai, ki too apane padosee se apane saman praem rakh.
- 40 ye hee do agyaaen saree vyavastha aur bhvishyadvktaon ka adhaar haai..
- 41 jab fareesee ikatthe the, to yeeshu ne un se poochha.
- 42 ki maseeh ke vishay men tum kya samajhte ho? vah kis ka santan haai? unhon ne us se kaha, daud ka.
- 43 us ne un se poochha, to daud atma men hokar use prabhu kyon kahata haai?
- 44 ki prabhu ne, mere prabhu se kaha mere daahine baait, jab tak ki maain tere baaiariyon ko tere panvon ke neeche n kar doon.
- 45 bhla, jab daud use prabhu kahata haai, to vah usaka putra kyonkar ttara?
- 46 usake uttr men koi bhee ek bat n kah saka parantu us din se kisee ko fir us se kuchh poochhne ka hiyav n hua..

ADHYĀYA 23

tab yeeshu ne bheed se aur apane chelon se kaha.

² shaasree aur fareesee moosa kee gae par baaitte haain.

³ isaliye ve tum se jo kuchh kahen vah karana, aur manana parantu un ke se kam mat karana kyonaki ve kahate to haain par karate naheen.

⁴ ve aek aeese bharee bojh ko jin ko uttana kattnai haai, bandhakar unhen manushyon ke kandhaen par rakhte haain parantu ap unhen apanee ungalee se bhee sarakana naheen chahate .

⁵ ve apane sab kam logon ko dikhane ke liye karate haain: ve apane taveejon ko chande karate, aur apane vasren kee koren baddhate haain.

⁶ jevanaron men mukhy mukhy jagahe, aur sabha men mukhy mukhy asana.

⁷ aur bajaron men namaskar aur manushy men rabbee kahalana unhen bhata haai.

⁸ parantu, tum rabbee n kahalana kayonki tumhara aek hee guroo haai: aur tum sab bhai ho.

⁹ aur prathvee par kisee ko apana pita n kahana, kayonki tumhara aek hee pita haai, jo svarga men haai.

¹⁰ aur svamee bhee n kahalana, kyonaki tumhara aek hee svamee haai, arthata maseeha.

¹¹ jo tum men bada ho, vah tumhara sevak bane.

¹² jo koi apane ap ko bada banaaega, vah chhotta kiya jaaega: aur jo koi apane ap ko chhotta banaaega, vah bada kiya jaaega..

¹³ he kapattee shaastriyon aur fareeasiyon tum par haya! tum manushyon ke virodha men svarga ke rajy ka dar band karate ho, n to ap hee us men praves karate ho aur n us men praves karanevalon ko praves karane dete ho..

¹⁴

¹⁵ he kapattee shaastriyon aur fareeasiyon tum par haya! tum aek jan ko apane mat men lane ke liye sare jal aur thl men firate ho, aur jab vah mat men a jata haai, to use apane se doona narakeey bana dete ho..

¹⁶ he andho aguvo, tum par hay, jo kahate ho ki yadi koi maandair kee shapath khaae to kuchh nahee, parantu yaadi koi maandair ke sone kee saugandha khaae to us se bandha jaaega.

¹⁷ he moorkho, , aur andhae, kaun bada haai, sona ya vah mandair jis se sona paavitra hota haai?

¹⁸ fir kahate ho ki yadi koi vedee kee shapath khaae to kuchh nahee, parantu jo bhentt us par haai, yaadi koi us kee shapath khaae to bandha jaaega.

¹⁹ he andhae, kaun bada haai, bhentt ya vedee: jis se bhentt paavitra hota haai?

²⁰ isaliye jo vedee kee shapath khata haai, vah us kee, aur jo kuchh us par haai, us kee bhee shapath khata haai.

²¹ aur jo maandair kee shapath khata haai, vah us kee aur us men rahanevalon kee bhee shapath khata haai.

²² aur jo svarga kee shapath khata haai, vah parameshvar ke sihansan kee aur us par baaitnevale kee bhee shapath khata haai..

²³ he kapattee shaastriyo, aur fareeasiyo, tum par haya tum podeene aur saunfa aur jeere ka dasavan ansh dete ho, parantu tum ne vyavastha kee gambheer baton ko chhod diya haai chahiye tha ki inhen bhee karate rahate, aur unhen bhee n chhodte.

²⁴ he andho aguvo, tum machchhd ko to chhan dalate ho, parantu unt ko nigal jate ho.

²⁵ he kapattee shaastriyo, aur fareeasiyo, tum par hay, tum kattore aur thalee ko upar

upar se to manjate ho parantu ve bheetar andhor asanyam se bhre huae haain.

²⁶ he andho fareesee, paahile kattore aur thalee ko bheetar se manj ki ve bahar se bhee svachchh hon..

²⁷ he kapattee shaastriayo, aur fareeasiyo, tum par haya tum choona firee hui kabraen ke saman ho jo upar se to sundar dikhai detee haai, parantu bheetar murdon kee haddiyon aur sab prakar kee malinata se bhree haain.

²⁸ isee reeti se tum bhee upar se manushyon ko dharmee dikhai dete ho, parantu bheetar kapatt aur adharma se bhre huae ho..

²⁹ he kapattee shaastriayo, aur fareeasiyo, tum par haya tum bhavishyadvktaon kee kabraen sanvarate aur dharmiyon kee kabraen banate ho.

³⁰ aur kahate ho, ki yadi ham apane bapadadon ke dinon men hote to bhvishyadvktaon kee hatya men un ke sajhee n hote.

³¹ is se to tum apane par ap hee gavahee dete ho, ki tum bhvishyadvktaon ke ghaatakon kee santan ho.

³² so tum apane bapadadon ke pap ka ghada bhr do.

³³ he sanpo, he karaaiton ke bachcho, tum narak ke dand se kyonkar bachoge?

³⁴ isaliye dekho, maain tumhare pas bhvishyadvktaon aur buddhmaianon aur shaaastriayon ko bhejata hoon aur tum un men se kitanon ko mar daloge, aur kroos par chaddhaoge aur kitanon ko apanee sabhaon men kode maroge, aur aek nagar se doosare nagar men khdedte firoge.

³⁵ jis se dharmee haabil se lekar birikyah ke putra jakarayah tak, jise tum ne maandair aur vedee ke beech men mar dala tha, jitane dharmiyon ka lohoo prathvee par bahaya gaya haai, vah sab tumhare sir par padega.

³⁶ maain tum se sach kahata hoo, ye sab baten is samay ke logon par a padengee..

³⁷ he yarooshalem, he yarooshalema too jo bhavishyadvktaon ko mar dalata haai, aur jo tere pas bheje gaa, unhen patthravah karata haai, kitanee hee bar maain ne chaha ki jaaise murgee apane bachchon ko apane pankhon ke neeche ikatthe karatee haai, vaaise hee maain bhee tere balakon ko ikatthe kar loo, parantu tum ne n chaha.

³⁸ dekho, tumhara ghar tumhare liye ujad chhoda jata haai.

³⁹ kyonaki maain tum se kahata hoo, ki ab se jab tak tum n kahoge, ki dhany haai vah, jo prabhu ke nam se ata haai, tab tak tum mujhe fir kabhee n dekhoge..

ADHYĀYA 24

Jab yeeshu mandair se nikalakar ja raha tha, to usake chele us ko maandair kee rachana dikhane ke liye us ke pas aae.

² us ne un se kaha, kya tum yah sab naheen dekhte? maain tum se sach kahata hoo, yahan patthr par patthr bhee n choottega, jo ddhaya n jaega.

³ aur jab vah jaaitoon pahad par baaita tha, to chelon ne alag usake pas akar kaha, ham se kah ki ye baten kab hongee? aur tere ane ka, aur jagat ke ant ka kya chinh hoga?

⁴ yeeshu ne un ko uttr diya, savadhaan raho! koi tumhen n bhramane paae.

⁵ kyonaki bahut se aeese honge jo mere nam se akar kahenge, ki maain maseeh hoon: aur bahuton ko bhramaaenge.

⁶ tum ladaiyon aur ladaiyon kee charcha sunoge dekho ghabara n jana kyonaki in ka hona avashy haai, parantu us samay ant n hoga.

⁷ kyonaki jati par jati, aur rajy par rajy chaddhai karega, aur jagah jagah akal padenge, aur

bhuidol honge.

⁸ ye sab baten peedaon ka arambh hongee.

⁹ tab ve klesh dilane ke liye tumhen pakadvaaenge, aur tumhen mar dalenge aur mere nam ke karan sab jatiyon ke log tum se baair rakhenge.

¹⁰ tab bahutere ttokar khaaenge, aur aek doosare se baair rakhenge.

¹¹ aur bahut se jootte bhvishyadvkta utt khde honge, aur bahuton ko bhramaaenge.

¹² aur adharma ke baddhne se bahuton ka praem ttnda ho jaaega.

¹³ parantu jo ant tak dhaeeraj dhare rahega, usee ka uddhar hoga.

¹⁴ aur rajy ka yah susamachar sare jagat men prachar kiya jaaega, ki sab jatiyon par gavahee ho, tab ant a jaaega..

¹⁵ so jab tum us ujadnevalee gharanait vastu ko jis kee charcha daaniyyel bhvishyadvkta ke dara hui thee, paavitra sthan men khdee hui dekho, jo paddhe, vah samajhe .

¹⁶ tab jo yahoodiya men hon ve pahadon par bhag jaaen.

¹⁷ jo kotte par ho, vah apane ghar men se saman lene ko n utare.

¹⁸ aur jo khet men ho, vah apana kapada lene ko peechhe n lautte.

¹⁹ un dinon men jo garbhvatee aur doodha pilatee hongee, un ke liye hay, haya.

²⁰ aur praarthna karo ki tumhen jade men ya sabt ke din bhagana n pade.

²¹ kyonaki us samay aeese bharee klesh hoga, jaaisa jagat ke arambh se n ab tak hua, aur n kabhee hoga.

²² aur yaadi ve din ghattaae n jate, to koi praanee n bachata parantu chune huon ke karan ve din ghattaae jaaenge.

²³ us samay yadi koi tum se kahe, ki dekho, maseeh yahan haain! ya vahan haai to prateeati n karana.

²⁴ kyonaki jootte maseeh aur jootte bhavishyadvkta utt khde honge, aur bade chinh aur adabhut kam dikhaaenge, ki yadi ho sake to chune huon ko bhee bhrama den.

²⁵ dekho, maain ne paahile se tum se yah sab kuchh kah diya haai.

²⁶ isaliye yaadi ve tum se kahe, dekho, vah jangal men haai, to bahar n nikal jana dekho, vah kottriyon men haai, to prateeati n karana.

²⁷ kyonaki jaaise bijalee poorva se nikalakar paashchaim tak chamakatee jatee haai, vaaisa hee manushy ke putra ka bhee ana hoga.

²⁸ jahan loth ho, vaheen giddh ikatthe honge..

²⁹ un dinon ke klesh ke bad turant soorya aandhiayara ho jaega, aur chand ka prakash jata rahega, aur tare akash se gir padenge aur akash kee shaktaiyan hilai jaengee.

³⁰ tab manushy ke putra ka chinh akash men dikhai dega, aur tab prathvee ke sab kulon ke log chhatee peettenge aur manushy ke putra ko badee samarth aur aeeshvarya ke sath akash ke badalon par ate dekhenge.

³¹ aur vah turahee ke bade shabd ke sat, apane dooton ko bhejega, aur ve akash ke is chhor se us chhor tak, charon disha se usake chune huon ko ikatthe karenge.

³² anjeer ke ped se yah drashttant seekho: jab us kee dalee komal ho jatee aur patte nikalane lagate haai, to tum jan lete ho, ki graeeshm kal nikatt haai.

³³ isee reeti se jab tum in sab baton ko dekho, to jan lo, ki vah nikatt haai, baran dar par haai.

³⁴ maain tum se sach kahata hoo, ki jabatab ye sab baten pooree n ho le, tab tak yah peeddhee jatee n rahegee.

³⁵ akash aur prathvee ttl jaaenge, parantu meree baten kabhee n ttlengee.

- ³⁶ us din aur us ghadee ke vishay men koi naheen janata, n svarga ke doot, aur n putra, parantu keval pita.
- ³⁷ jaaise nooh ke din the, vaaisa hee manushy ke putra ka ana bhee hoga.
- ³⁸ kyonaki jaaise jala-pralay se pahile ke dinon me, jis din tak ki nooh jahaj par n chaddha, us din tak log khate-peete the, aur un men byah shaadee hotee thee.
- ³⁹ aur jab tak jala-pralay akar un sab ko baha n le gaya, tab tak un ko kuchh bhee maloom n pada vaaise hee manushy ke putra ka ana bhee hoga.
- ⁴⁰ us samay do jan khet men honge, ek le liya jaega aur doosara chhod diya jaega.
- ⁴¹ do striyan chakkee peesatee rahengee, aek le lee jaaege, aur doosaree chhod dee jaaege.
- ⁴² isaliye jagate raho, kyonki tum naheen janate ki tumhara prabhu kis din aaega.
- ⁴³ parantu yah jan lo ki yadi ghar ka svamee janata hota ki chor kis pahar aaega, to jagata rahata aur apane ghar men sengha lagane n deta.
- ⁴⁴ isaliye tum bhee taaiyar raho, kyonki jis ghadee ke vishay men tum sochate bhee naheen ho, usee ghadee manushy ka putra a jaaega.
- ⁴⁵ so vah vishvasayogy aur buaddhmaian das kaun haai, jise svamee ne apane naukar chakaron par saradar ttharaya, ki samay par unhen bhojan de?
- ⁴⁶ dhany haai, vah das, jise usaka svamee akar aeese kee karate paae.
- ⁴⁷ maain tum se sach kahata hoon vah use apanee saree sanpati par saradar ttharaaega.
- ⁴⁸ parantu yadi vah dusht das sochane lage, ki mere svamee ke ane men der haai.
- ⁴⁹ aur apane sathee dason ko peettne lage, aur piyakkadon ke sath khaae peae.
- ⁵⁰ to us das ka svamee aeese din aaega, jab vah us kee batt n johata ho.
- ⁵¹ aur aeese ghadee ki vah n janata ho, aur use bharee tadna dekar, usaka bhag kapattyaen ke sath ttharaaega: vahan rona aur dant peesana hoga..

ADHYĀYA 25

Tab svarga ka rajy un das kunvariyan ke saman hoga jo apanee mashaalen lekar doolhe se bhentt karane ko nikaleen.

- ² un men panch moorkh aur panch samajhdar theen.
- ³ moorkhon ne apanee mashaalen to lee, parantu apane sath tel naheen liya.
- ⁴ parantu samajhdaron ne apanee mashaalon ke sath apanee kuappaiyon men tel bhee bhr liya.
- ⁵ jab dulhe ke ane men der hui, to ve sab unghane lagee, aur so gai.
- ⁶ adhaee rat ko dhoom machae, ki dekho, doolha a raha haai, us se bhentt karane ke liye chalo.
- ⁷ tab ve sab kunvaariyan uttkar apanee apanee mashalen tteek karane lageen.
- ⁸ aur moorkhon ne samajhdaron se kaha, apane tel men se kuchh hamen bhee do, kyonki hamaree mashaalen bujhee jatee haain.
- ⁹ parantu samajhdaron ne uttr diya ki kadaachit hamare aur tumhare liye poora n ho bhla to yah haai, ki tum bechanevalon ke pas jakar apane liye mol le lo.
- ¹⁰ jab ve mol lene ko ja rahee thee, to doolha a pahuncha, aur jo taaiyar thee, ve usake sath byah ke ghar men chaleen gai aur dar band kiya gaya.
- ¹¹ isake bad ve doosaree kunvariyan bhee akar kahane lagee, he svamee, he svamee, hamare liye dar khol de.

- 12 us ne uttr diya, ki maain tum se sach kahata hoo, maain tumhen naheen janata.
- 13 isaliye jagate raho, kyonki tum n us din ko janate ho, n us ghadee ko..
- 14 kyonaki yah us manushy kee see dasa haai jis ne paradesh ko jate samay apane dason ko bulakar, apanee sanpaati un ko saunp dee.
- 15 us ne ek ko panch tod, doosare ko do, aur teesare ko eka arthata har ek ko us kee samarth ke anusar diya, aur tab paradesh chala gaya.
- 16 tab jis ko panch tode mile the, us ne turant jakar un se len den kiya, aur panch tode aur kamaae.
- 17 isee reeti se jis ko do mile the, us ne bhee do aur kamaae.
- 18 parantu jis ko aek mila tha, us ne jakar mittee khodee, aur apane svamee ke roopaye chhpai diae.
- 19 bahut dinon ke bad un dason ka svamee akar un se lekha lene laga.
- 20 jis ko panch tode mile the, us ne panch tode aur lakar kaha he svamee, too ne mujhe panch tode saunpe the, dekh maain ne panch tode aur kamaae haain.
- 21 usake svamee ne usase kaha, dhany haai achchhe aur vishvasayogy das, too thode men vishvasayogy raha maain tujhe bahut vastuon ka adhaikaree banaunga apane svamee ke anand men sambhagee ho.
- 22 aur jis ko do tode mile the, us ne bhee akar kaha he svamee too ne mujhe do tode saunpen the, dek, maain ne do tode aur kamaae.
- 23 usake svamee ne us se kaha, dhany he achchhe aur vishvasayogy das, too thode men vishvasayogy raha, maain tujhe bahut vastuon ka adhaikaree banaunga apane svamee ke anand men sambhagee ho.
- 24 tab jis ko aek toda mila tha, us ne akar kaha he svamee, maain tujhe janata tha, ki too kattor manushy haai, aur jahan naheen chheetta vahan se battorata haai.
- 25 so maain dr gaya aur jakar tera toda mittee men chhpai diya dek, jo tera haai, vah yah haai.
- 26 usake svamee ne use uttr diya, ki he dusht aur alasee dasa jab yah too janata tha, ki jahan maain ne naheen boya vahan se kattta hoon aur jahan maain ne naheen chheetta vahan se battorata hoon.
- 27 to tujhe chahiae tha, ki mera roopaya sarrafaon ko de deta, tab maain akar apana dhan byaj samet le leta.
- 28 isaliye vah toda us se le lo, aur jis ke pas das tode haai, us ko de do.
- 29 kyonaki jis kisee ke pas haai, use aur diya jaaega aushra usake pas bahut ho jaaega: parantu jis ke pas naheen haai, us se vah bhee jo usake pas haai, le liya jaaega.
- 30 aur is nikamme das ko bahar ke andhore men dal do, jahan rona aushra dant peesana hoga.
- 31 jab manushy ka putra apanee mahima men aaega, aur sab svarga doot usake sath aaenge to vah apanee mahima ke sihansan par virajaman hoga.
- 32 aur sab jaatiyan usake samhane ikatthee kee jaaengee aur jaaisa charavaha bhedon ko bakariyon se alag kar deta haai, vaaisa hee vah unhen aek doosare se alag karega.
- 33 aur vah bhedon ko apanee daahinee or aur bakariyon ko bai aur khdee karega.
- 34 tab raja apanee dahinee or valon se kahega, he mere pita ke dhany logo, ao, us rajy ke adhaikaree ho jao, jo jagat ke adi se tumhare liye taaiyar kiya hua haai.
- 35 kayonaki maai. bookha tha, aur tum ne mujhe khane ko diya maain piyasa tha, aur tum ne mujhe panee pilaya, maain paradeshae tha, tum ne mujhe apane ghar men ttharaya.
- 36 maain nanga tha, tum ne mujhe kapade pahinaae maain beemar tha, tum ne meree

sudhai lee, maain bandeegrah men tha, tum mujh se milane aae.

³⁷ tab dharmee us ko uttr denge ki he prabhu, ham ne kab tujhe bookha dekha aur sikhaya? ya piyasa dekha, aur pilaya?

³⁸ ham ne kab tujhe paradeshaee dekha aur apane ghar men ttharaya ya nanga dekha, aur kapade paahinaae?

³⁹ ham ne kab tujhe beemar ya bandeegrah men dekha aur tujh se milane aae?

⁴⁰ tab raja unhen uttr dega maain tum se sach kahata hoo, ki tum ne jo mere in chhotte se chhotte bhaiyon men se kisee aek ke sath kiya, vah mere hee sath kiya.

⁴¹ tab vah bain or valon se kahega, he sraapit logo, mere samhane se us anant ag men chale jao, jo shautan aur usake dooton ke liye taaiyar kee gai haai.

⁴² kyonaki maain bookha tha, aur tum ne mujhe khane ko naheen diya, maain piyasa tha, aur tum ne mujhe panee naheen pilaya.

⁴³ maain paradeshaee tha, aur tum ne mujhe apane ghar men naheen ttharaya maain nanga tha, aur tum ne mujhe kapade naheen pahinaae beemar aur bandeegrah men tha, aur tum ne merree sudhai n lee.

⁴⁴ tab ve uttr denge, ki he prabhu, ham ne tujhe kab bookha, ya piyasa, ya paradeshae, ya nanga, ya beemar, ya bandeegrah men dekha, aur teree seva tthal n kee?

⁴⁵ tab vah unhen uttr dega, maain tum se sach kahata hoon ki tum ne jo in chhotte se chhotton men se kisee aek ke sath naheen kiya, vah mere sath bhee naheen kiya.

⁴⁶ aur yah anant dand bhogenge parantu dharmee anant jeevan men pravesh karenge.

ADHYĀYA 26

Jab yeeshu ye sab baten kah chuka, to apane chelon se kahane laga.

² tum janate ho, ki do din ke bad fasah ka pavrva hoga aur manushy ka putra kroos par chaddhaae jane ke liye pakadvaya jaaega.

³ tab mahayajak aur praja ke puraniae kaifaa nam mahayajak ke angan men ikatthe huae.

⁴ aur apas men vichar karane lage ki yeeshu ko chht se pakadkar mar dalen.

⁵ parantu ve kahate the, ki pavrva ke samay naheen kaheen aeese n ho ki logon men balava mach jaae.

⁶ jab yeeshu baaitaniyyah men shamaun koddhee ke ghar men tha.

⁷ to aek sree sangamaramar ke patra men bahumol itra lekar usake pas ai, aur jab vah bhojan karane baaita tha, to usake sir par undel diya.

⁸ yah dekhkar, usake chele risayaae aur kahane lage, is ka kyon satyanash kiya gaya?

⁹ yah to achchhe dam par bikakar kangalon ko bantta ja sakata tha.

¹⁰ yah janakar yeeshu ne un se kaha, sree ko kyon satate ho? us ne mere sath bhlai kee haai.

¹¹ kangal tumhare sath sada rahate haai, parantu maain tumhare sath sadaaiv n rahoonga.

¹² us ne merree deh par jo yah itra undela haai, vah mere gaddhe jane ke liye kiya haai

¹³ maain tum se sach kahata hoo, ki sare jagat men jahan kaheen yah susamachar prachar kiya jaaega, vahan usake is kam ka varnn bhee usake smaran men kiya jaaega.

¹⁴ tab yahooda iskariyotee nam barah chelon men se aek ne mahayajakon ke pas jakar kaha.

¹⁵ yaadi maain use tumhare hath pakadva doo, to mujhe kya doge? unhon ne use tees

chandee ke sikke taulakar de diae.

16 aur vah usee samay se use pakadvane ka avasar ddoonddhne laga..

17 akhmeeree rottee ke pavrva ke paahile din, chele yeeshu ke pas akar poochhne lage too kahan chahata haai ki ham tere liye fasah khane kee taaiyaree karen?

18 us ne kaha, nagar men faulane ke pas jakar us se kaho, ki guroo kahata haai, ki mera samay nikatt haai, maain apane chelon ke sath tere yahan pavrva manaunga.

19 so chelon ne yeeshu kee agyaa manee, aur fasah taaiyar kiya.

20 jab sanjh hui, to vah barahon ke sath bhojan karane ke liye baaita.

21 jab ve kha rahe the, to us ne kaha, maain tum se sach kahata hoo, ki tum men se aek mujhe pakadvaaega.

22 is par ve bahut udas hua, aur har aek us se poochhne laga, he guro, kya vah maain hoon?

23 us ne uttr diya, ki jis ne mere sath thalee men hath dala haai, vahee mujhe pakadvaega.

24 manushy ka putra to jaaisa usake vishay men likha haai, jata hee haai parantu us manushy ke liye shaek haai jis ke dara manushy ka putra pakadvaya jata haai: yadi us manushy ka janm n hota, to usake liye bhla hota.

25 tab usake pakadvanevale yahooda ne kaha ki he rabbee, kya vah maain hoon?

26 us ne us se kaha, too kah chuka: jab ve kha rahe the, to yeeshu ne rottee lee, aur ashaeesh mangakar todee, aur chelon ko dekar kaha, lo, khao yah meree deh haai.

27 fir us ne kattora lekar, dhanyavad kiya, aur unhen dekar kaha, tum sab is men se peeo.

28 kyonaki yah vacha ka mera vah lohoo haai, jo bahuton ke liye papon kee kshama ke nimitt bahaya jata haai.

29 maain tum se kahata hoo, ki dakh ka yah ras us din tak kabhee n peeunga, jab tak tumhare sath apane pita ke rajy men naya n peeun..

30 fir ve bhjan gakar jaaitoon pahad par gaae..

31 tab yeeshu ne un se kaha tum sab aj hee rat ko mere vishay men ttokar khaoge kyonki likha haai, ki maain charavahe ko maroonga aur jhund kee bheden tittr bittr ho jaaengee.

32 parantu maain apane jee uttne ke bad tum se pahale galeel ko jaunga.

33 is par pataras ne us se kaha, yadi sab tere vishay men ttokar khaaen to khaae, parantu maain kabhee bhee ttokar n khaunga.

34 yeeshu ne us se kaha, maain tum se sach kahata hoo, ki aj hee raj ko murga ke bang dene se paahile, too teen bar mujh se mukar jaaega.

35 pataras ne us se kaha, yadi mujhe tere sath marana bhee ho, taubhee, maain tujh se kabhee n mukaroonga: aur aeesa hee sab chelon ne bhee kaha..

36 tab yeeshu ne apane chelon ke sath gatasamanee nam aek sthan men aya aur apane chelon se kahane laga ki yaheen baaitte rahana, jab tak ki maain vahan jakar praarthna karoon.

37 aur vah pataras aur jabdee ke donon putraen ko sath le gaya, aur udas aur vyakul hone laga.

38 tab us ne un se kaha mera jee bahut udas haai, yahan tak ki mere praan nikala chahate: tum yaheen ttharo, aur mere sath jagate raho.

39 fir vah thoda aur age baddhkar munh ke bal gira, aur yah praarthna karane laga, ki he mere pita, yaadi ho sake, to yah kattora mujh se ttl jaae taubhee jaaisa maain chahata hoon vaaisa nahee, parantu jaaisa too chahata haai vaaisa hee ho.

40 fir chelon ke pas akar unhen sote paya, aur pataras se kaha kya tum mere sath aek

ghadee bhee n jag sake?

⁴¹ jagate raho, aur praarthna karate raho, ki tum pareeksha men n pado: atma to taaiyar haai, parantu shareer durbal haai.

⁴² fir us ne doosaree bar jakar yah praarthna kee ki he mere pita, yaadi yah mere peeae bina naheen hatt sakata to teree ichchha pooree ho.

⁴³ tab us ne akar unhen fir sote paya, kyonki un kee ankhen neend se bhree theen.

⁴⁴ aur unhen chhodkar fir chala gaya, aur vahee bat fir kahakar, teesaree bar praarthna kee.

⁴⁵ tab us ne chelon ke pas akar un se kaha ab sote raho, aur vishraam karo: dekho, ghadee a pahunchee haai, aur manushy ka putra papiyon ke hath pakadvaya jata haai.

⁴⁶ utto, chalen dekho, mera pakadvanevala nikatt a pahuncha haai..

⁴⁷ vah yah kah hee raha tha, ki dekho yahooda jo barahon men se aek tha, aya, aur usake sath mahayajakon aur logon ke puraaniyon kee or se badee bheed, talavaren aur laattyaian liae huae ai.

⁴⁸ usake pakadvanevale ne unhen yah pata diya tha ki jis ko maain choom loon vahee haai use pakad lena.

⁴⁹ aur turant yeeshu ke pas akar kaha he rabbee namaskara aur us ko bahut chooma.

⁵⁰ yeeshu ne us se kaha he mitra, jis kam ke liye too aya haai, use kar le. tab unhon ne pas akar yeeshu par hath dale, aur use pakad liya.

⁵¹ aur dekho, yeeshu ke saathaiyon men se aek ne hath baddhakar apanee talavar kheench lee aur mahayajak ke das par chalakar us ka kan uda diya.

⁵² tab yeeshu ne us se kaha apanee talavar kattee men rakh le kyonki jo talavar chalate haai, ve sab talavar se nash kiae jaaenge.

⁵³ kya too naheen samajhta, ki maain apane pita se binatee kar sakata hoo, aur vah svargadooton ke barah palatn se adhaik mere pas abhee upaasthiat kar dega?

⁵⁴ parantu pavitra shaasr kee baten ki aeesa hee hona avashy haai, kyonkar pooree hongee?

⁵⁵ usee ghadee yeeshu ne bheed se kaha kya tum talavaren aur laattyaian lekar mujhe dakoo ke saman pakadne ke liye nikale ho? maain har din mandair men baaitkar upadesh diya karata tha, aur tum ne mujhe naheen pakada.

⁵⁶ parantu yah sab isaaliye hua haai, ki bhvishyadvktaon ke vachan ke poore hon: tab sab chelen use chhodkar bhag gaae..

⁵⁷ aur yeeshu ke pakadnevale us ko kaifaa nam mahayajak ke pas le gaa, jahan shaasree aur puraaniae ikatthe huae the.

⁵⁸ aur pataras door se usake peechhe peechhe mahayajak ke angan tak gaya, aur bheetar jakar ant dekhne ko pyadon ke sath baaitt gaya.

⁵⁹ mahayajak aur saree mahasabha yeeshu ko mar dalane ke liye usake virodha men joottee gavahee kee khoj men the.

⁶⁰ parantu bahut se jootte gavahon ke ane par bhee n pai.

⁶¹ ant men do janon ne akar kaha, ki us ne kaha haai ki maain parameshvar ke maandair ko ddha sakata hoon aur use teen din men bana sakata hoon.

⁶² tab mahayajak ne khde hokar us se kaha, kya too koi uttr naheen deta? ye log tere virodha men kya gavahee dete haain? parantu yeeshu chup raha: mahayajak ne us se kaha.

⁶³ maain tujhe jeevate parameshvar kee shapath deta hoo, ki yadi too parameshvar ka putra maseeh haai, to ham se kah de.

- ⁶⁴ yeeshu ne us se kaha too ne ap hee kah diya: baran maain tum se yah bhee kahata hoo, ki ab se tum manushy ke putra ko sarvashaaktaiman kee daahinee or baaitte, aur akash ke badalon par ate dekhoge.
- ⁶⁵ tab mahayajak ne apane vasr faadkar kaha, is ne parameshvar kee ninda kee haai, ab hamen gavahon ka kya prayojana?
- ⁶⁶ dekho, tum ne abhee yah ninda sunee haai! tum kya samajhte ho? unhon ne uttr diya, yah vadha hone ke yogy haai.
- ⁶⁷ tab unhon ne us se munh par tooka, aur use ghoonse mare, auron ne thppad mar ke kaha.
- ⁶⁸ he maseeh, ham se bhavishyadvanee karake kaha: ki kis ne tujhe mara?
- ⁶⁹ aur pataras bahar angan men baaitta hua tha: ki aek laundee ne usake pas akar kaha too bhee yeeshu galeelee ke sath tha.
- ⁷⁰ us ne sab ke samhane yah kah kar inkar kiya aur kaha, maain naheen janata too kya kah rahee haai.
- ⁷¹ jab vah bahar devaddhee men chala gaya, to doosaree ne use dekhkar un se jo vahan the kaha yah bhee to yeeshu nasaree ke sath tha.
- ⁷² us ne shapath khakar fir inkar kiya ki maain us manushy ko naheen janata.
- ⁷³ thodee der ke bad, jo vahan khde the, unhon ne pataras ke pas akar us se kaha, sachamuch too bhee un men se aek haai kyonki teree bolee tera bhed khol detee haai.
- ⁷⁴ tab vah dhaikkar dene aur shapath khane laga, ki maain us manushy ko naheen janata aur turant murga ne bang dee.
- ⁷⁵ tab pataras ko yeeshu kee kahee hui bat smaran ai kee murga ke bang dene se pahile too teen bar mera inkar karega aur vah bahar jakar foott foott kar rone laga..

ADHYĀYA 27

- J**ab bhor hui, to sab mahayajakon aur logon ke puraniyon ne yeeshu ke mar dalane kee sammati kee.
- ² aur unhon ne use bandha aur le jakar peelatus haakim ke hath men saunp diya..
- ³ jab usake pakadvanevale yahooda ne dekha ki vah doshaee ttharaya gaya haai to vah pachhtaya aur ve tees chandee ke sikke mahayajakon aur puraaniyon ke pas faer laya.
- ⁴ aur kaha, maain ne nirdoshaee ko ghaat ke liye pakadvakar pap kiya haai? unhon ne kaha, hamen kya? too hee jana.
- ⁵ tab vah un sikkon ko mandair men faenkakar chala gaya, aur jakar apane ap ko faansee dee.
- ⁶ mahayajakon ne un sikkon ko lekar kaha, inhen bhndar men rakhna uchit nahee, kyonki yah lohoo ka dam haai.
- ⁷ so unhon ne sammaati karake un sikkon se paradeshaiyon ke gadne ke liye kumhar ka khet mol le liya.
- ⁸ is karan vah khet aj tak lohoo ka khet kahalata haai.
- ⁹ tab jo vachan yirmayah bhvishyadvakta ke dara kaha gaya tha vah poora hua ki unhon ne ve tees sikke arthata us ttharaae huae mooly ko jise israael kee santan men se kitanon ne ttharaya tha le liae.
- ¹⁰ aur jaaise prabhu ne mujhe agyaa dee thee vaaise hee unhen kumhar ke khet ke mooly men de diya..
- ¹¹ jab yeeshu hakim ke samhane khda tha, to haakim ne us se poochha ki kya too

yahoodiyan ka raja haai? yeeshu ne us se kaha, too ap hee kah raha haai.

12 jab mahayajak aur puraaniae us par dosh laga rahe the, to us ne kuchh uttr naheen diya.

13 is par peelatus ne us se kaha: kya too naheen sunata, ki ye tere virodha men kitanee gavaahiyan de rahe haain?

14 parantu us ne us ko aek bat ka bhee uttr naheen diya, yahan tak ki hakim ko bada ashcharya hua.

15 aur haakim kee yah reeti thee, ki us pavrva men logon ke liye kisee aek bandhauae ko jise ve chahate the, chhod deta tha.

16 us samay baraabba nam unheen men ka ek namee bandhaua tha.

17 so jab ve ikatthe hua, to peelatus ne un se kaha tum kis ko chahate ho, ki maain tumhare liye chhod doon? baraabba ko, ya yeeshu ko jo maseeh kahalata haai?

18 kyonaki vah janata tha ki unhon ne use dah se pakadvaya haai.

19 jab vah nyay kee gaee par baaita hua tha to us kee patnee ne use kahala bheja, ki too us dharmee ke mamale men hath n dalana kyonki maain ne aj svapn men usake karan bahut dukh uttaya haai.

20 mahayajakon aur puraniyan ne logon ko ubhara, ki ve baraabba ko mang le, aur yeeshu ko nash karaaen.

21 haakim ne un se poochha, ki in donon men se kis ko chahate ho, ki tumhare liye chhod doon? unhon ne kaha baraabba ko.

22 peelatus ne un se poochha fir yeeshu ko jo maseeh kahalata haai, kya karoon? sab ne us se kaha, vah kroos par chaddhaya jaae.

23 haakim ne kaha kyon us ne kya burai kee haai? parantu ve aur bhee chilla, chillakar kahane lage, vah kroos par chaddhaya jaae.

24 jab peelatus ne dekha, ki kuchh ban naheen padta parantu is ke vipareet hullad hota jata haai, to us ne panee lekar bheed ke samhane apane hath dhaea, aur kaha maain is dharmee ke lohoo se nirdosh hoon tum hee jano.

25 sab logon ne uttr diya, ki is ka lohoo ham par aur hamaree santan par ho.

26 is par us ne baraabba ko un ke liye chhod diya, aur yeeshu ko kode lagavakar saunp diya, ki kroos par chaddhaya jaae..

27 tab haakim ke sipaahiyan ne yeeshu ko kile men le jakar saree palatn usake chahun or ikatthee kee.

28 aur usake kapade utarakar use kiraamijee бага pahinaya.

29 aur katton ko mukutt goonthkar usake sir par rakha aur usake daahine hath men sarakanda diya aur usake age ghauttne ttekakar use tttthe men udane lage, ki he yahoodiyan ke raja namaskara.

30 aur us par tooka aur vahee sarakanda lekar usake sir par marane lage.

31 jab ve usaka ttttha kar chuke, to vah бага us par se utarakar fir usee ke kapade use paahinaa, aur kroos par chaddhane ke liye le chale..

32 bahar jate huae unhen shamaun nam aek kurenee manushy mila, unhonne use begar men pakada ki usaka kroos utta le chale.

33 aur us sthan par jo gulaguta nam kee jagah arthata khopadee ka sthan kahalata haai pahunchakara.

34 unhon ne pitt milaya hua dakhras use peene ko diya, parantu us ne chakhkar peena n chaha.

35 tab unhon ne use kroos par chaddhaya aur chitthiyan dalakar usake kapade bantt liae.

- 36 aur vahan baaitkar usaka pahara dene lage.
- 37 aur usake doshapatra, usake sir ke upar lagaya, ki yah yahoodiyon ka raja yeeshu haai.
- 38 tab usake sath do dakoo aek dahine aur aek baaen krooson par chaddhaae gaae.
- 39 aur ane jane vale sir hila hilakar us kee ninda karate the.
- 40 aur yah kahate the, ki he mandair ke ddhanevale aur teen din men bananevale, apane ap ko to bacha yaadi too parameshvar ka putra haai, to kroos par se utar a.
- 41 isee reeti se mahayajak bhee shaastriayon aur puraaniyon samet ttthha kar karake kahate the, is ne auron ko bachaya, aur apane ko naheen bacha sakata.
- 42 yah to israael ka raja haai. ab kroos par se utar aa, to ham us par vishvas karen.
- 43 us ne parameshvar ka bhrosa rakha haai, yaadi vah is ko chahata haai, to ab ise chhuda le, kyonki is ne kaha tha, ki maain parameshvar ka putra hoon.
- 44 isee prakar dakoo bhee jo usake sath krooson par chaddhaae gaae the us kee ninda karate the..
- 45 dopahar se lekar teesare pahar tak us sare desh men andhora chhaya raha.
- 46 teesare pahar ke nikatt yeeshu ne bade shabd se pukarakar kaha, aelee, aelee, lama shabaktanee? arthata he mere parameshvar, he mere parameshvar, too ne mujhe kyon chhod diya?
- 47 jo vahan khde the, un men se kitanon ne yah sunakar kaha, vah to aeliyyah ko pukarata haai.
- 48 un men se ek turant dauda, aur spanj lekar sirake men duboya, aur sarakande par rakhkar use chusaya.
- 49 auron ne kaha, rah jao, dekhe, aeliyyah use bachane ata haai ki naheen.
- 50 tab yeeshu ne fir bade shabd se chillakar praan chhod diae.
- 51 aur dekho mandair ka parada upar se neeche tak fatt kar do ttukade ho gaya: aur dharatee dol gai aur chattanen tadkar gain.
- 52 aur kabraen khul gain aur soae huae pavitra logon kee bahut lothen jee utteen.
- 53 aur usake jee uttne ke bad ve kabraen men se nikalakar paavitra nagar men gaa, aur bahuton ko dikhai diae.
- 54 tab soobedar aur jo usake sath yeeshu ka pahara de rahe the, bhuidol aur jo kuchh hua tha, dekhkar atyant dr gaa, aur kaha, sachamuch yah parameshvar ka putra tha.
- 55 vahan bahut see striayan jo galeel se yeeshu kee seva karatee hui usake sath ain thee, door se dekh rahee theen.
- 56 un men maariyam magadaleelee aur yakoob aur yoses kee mata maariyam aur jabdee ke putraen kee mata theen.
- 57 jab sanjh hui to yoosufa nam aarimaatiyah ka aek dhanee manushy jo ap hee yeeshu ka chela tha aya: us ne peelatus ke pas jakar yeeshu kee loth mangee.
- 58 is par peelatus ne de dene kee agyaa dee.
- 59 yoosufa ne loth ko lekar use ujjaaval chadar men lapetta.
- 60 aur use apanee nai kabra men rakha, jo us ne chattan men khudavai thee, aur kabra ke dar par bada patthr luddhkakar chala gaya.
- 61 aur maariyam magadaleenee aur doosaree mariyam vahan kabra ke samhane baaittee theen..
- 62 doosare din jo taaiyaree ke din ke bad ka din tha, mahayajakon aur fareeasiyon ne peelatus ke pas ikatthe hokar kaha.

- ⁶³ he maharaj, hamen smaran haai, ki us bhramanevale ne apane jeete jee kaha tha, ki maain teen din ke bad jee utoonga.
- ⁶⁴ so agyaa de ki teesare din tak kabra kee rakhvalee kee jaa, aeese n ho ki usake chele akar use chura le jaae, aur logon se kahanen lage, ki vah mare huon men se jee utta haai: tab pichhla dhaekha pahile se bhee bura hoga.
- ⁶⁵ peelatus ne un se kaha, tumhare pas paharooae to haain jao, apanee samajh ke anusar rakhvalee karo.
- ⁶⁶ so ve paharoon ko sath le kar gaa, aur patthr par muhar lagakar kabra kee rakhvalee kee..

ADHYĀYA 28

- S**abt ke din ke bad saptaah ke paahile din pah fattte hee mariyam magadaleenee aur doosaree mariyam kabra ko dekhne ai.
- ² aur dekho aek bada bhuindol hua, kyonki prabhu ka aek doot svarga se utara, aur pas akar usane patthr ko luddhka diya, aur us par baait gaya.
- ³ usaka roop bijalee ka sa aur usaka vasr pale kee nai ujval tha.
- ⁴ usake bhy se paharooae kanp utte, aur mratak saman ho gae.
- ⁵ svargadoot ne striyon se kaha, ki tum mat dro : maai janata hoo ki tum yeeshu ko jo kraus par chaddhaya gaya tha ddoondhte ho.
- ⁶ vah yaha naheen haai, parantu apane vachan ke anusar jee utta haai ao, yah sthan dekho, jaha prabhu pada tha.
- ⁷ aur shaeegha jakar usake chelon se kaho, ki vah mratakon men se jee utta haai aur dekho vah tum se paahile galeel ko jata haai, vaha usaka darshan paoge, dekho, maain ne tum se kah diya.
- ⁸ aur ve bhy aur bade anand ke sath kabra se shaeegha lauttkar usake chelon ko samachar dene ke liye daud gai.
- ⁹ aur dekho, yeeshu unhen mila aur kaha 'salaman aur unhon ne pas akar aur usake pav pakadkar usako dandvat kiya.
- ¹⁰ tab yeeshu ne un se kaha, mat dro mere bhaiyon se jakar kaho, ki galeel ko chalen jaaen vaha mujhe dekhenge..
- ¹¹ ve ja hee rahee thee, ki dekho, paharoon men se kitanon ne nagar men akar poora hal mahayajakon se kah sunaya.
- ¹² tab unhon ne puraniyon ke sath ikatthe hokar sammati kee, aur sipaahiyon ko bahut chandee dekar kaha.
- ¹³ ki yah kahana, ki rat ko jab ham so rahe the, to usake chele akar use chura le gaae.
- ¹⁴ aur yaadi yah bat hakim ke kan tak pahunchege, to ham use samajha lenge aur tumhen jokhaim se bacha lenge.
- ¹⁵ so unhon ne roopaae lekar jaaaisa sikhaae gaae the, vaaisa hee kiya aur yah bat aj tak yahoodiyon men prachalit haai..
- ¹⁶ aur gyarah chele galeel men us pahad par gaa, jise yeeshu ne unhen bataya tha.
- ¹⁷ aur unhon ne usake darshan pakar use pranam kiya, par kisee kisee ko sandeh hua.
- ¹⁸ yeeshu ne un ke pas akar kaha, ki svarga aur prathvee ka sara aadhaikar mujhe diya gaya haai.
- ¹⁹ isaliye tum jakar sab jatiyon ke logon ko chela banao aur unhen pita aur putra aur

pavitraatma ke nam se bapaatisma do.

²⁰ aur unhen sab baten jo maain ne tumhen agyaa dee haai, manana sikhao: aur dekho, maain jagat ke ant tak sadaaiv tumhare sang hoon..
